Drugs, Chemicals, &c. DR. O. S. PROPHITT'S FAMILY MEDICINES, CONSISTING OF HIS CELEBRATED LIVER MEDICINE, ANODYNE PAIN KILL IT, ANTI-BILIOUS PILLS, AGUE PILLS, Dysentery Cordial, Female Tonic AND PURIFYING PILLS.

THE EXCELLENT REMEDIES OF O. S. PROPHITT, M. D., need no recommendation; their well known power in removing the diseases peculiar to our Southern climate having already established for them an inviolable reputation in Georgia and the adjoining States. As the majority of persons living in the South are predisposed to disease of the Liver, it is granted by all intelligent physicians that most of the pains and aches of our people are due to organic or functional derangement of that important organ.

Prophitt's Liver Medicine and Anti-Bilious Pills strike directly at the root of the evil. They cure the Liver, which in nine cases out of ten, is at the bottom of the Colic, Dyspepsia, Colic, Sick Headache, Rheumatism, Constipation, Menstrual Obstructions, &c., so common among our people. EPILEPSY, TETANUS, ACUTE RHEUMATISM, Neuralgia and bodily pains of every kind flee before PROPHITT'S PAIN KILL IT like chaff before the wind.

PROPHITT'S LIVER MEDICINE. Dr. Prophitt—Having used this medicine sufficiently long to test its virtues, and to satisfy my own mind that it is an invaluable remedy for Dyspepsia, I am glad to find that the writer has suffered much for six years—and being persuaded that hundreds who now suffer from this annoying complaint would be regularly benefited, as he has been, by its use, I deem it a duty we owe to this unfortunate class to recommend to them the use of this medicine. It has given relief not only to myself but several members of my family the greatest relief.

M. W. ARNOLD, Of the Georgia Conference. COVINGTON, GA., July 9, 1867. Dr. Prophitt—Having used your Liver Medicine for more than a year in my family, I can testify to its efficacy in all persons suffering from Liver affections, Dyspepsia or indigestion in any form. I also recommend your Dysentery Cordial as the best remedy for this disease.

COVINGTON, GA., July 9, 1867. Dr. Prophitt—I have used your Liver Medicine for more than a year in my family, and I have no pain in saying that they are the best medicines I have ever used for the Liver, Stomach, Nerves, and Rheumatic affections, Headache, Colic, and pains of every kind are subdued by them. After using the medicine I recommend it in the highest degree to any and every one, and to all that are afflicted, as the best and safest remedies for all the diseases for which they are recommended, &c. Yours respectfully, JAMES WRIGHT.

STANFORDVILLE, PUTNAM COUNTY, Oct. 1, 1867. Dr. O. S. Prophitt—Dear Sir—It is to certify that I have used your Anti-Pain Pills for the last ten years, and I have never failed to cure the Ague in a single instance with them. They always break the chills in the first day that they are given. I can recommend them as being the best medicine that I have ever found, and they leave no bad effects following them, as Quinine, &c. Yours respectfully, A. WESTBROOK

PUTNAM COUNTY, GA., September 22, 1868. Dr. O. S. Prophitt—Dear Sir—It is to certify that I have used your Liver Medicine, your Pain Kill It, and your Female Tonic, and I have no pain in saying that they are the best medicines I have ever used for the Liver, Stomach, Nerves, and Rheumatic affections, Headache, Colic, and pains of every kind are subdued by them. After using the medicine I recommend it in the highest degree to any and every one, and to all that are afflicted, as the best and safest remedies for all the diseases for which they are recommended, &c. Yours respectfully, JAMES WRIGHT.

DR. PROPHITT'S FEMALE TONIC. This medicine, with its associates, is a safe and certain remedy for all curable diseases to which Females are liable. It is also an excellent preventive of Nervous Debility, or Nervous Diseases in either male or female. It is a powerful Nervine Tonic, setting up a full and free circulation throughout the system.

All of the above Medicines sold by Druggists and Merchants generally throughout the South-west.
