A COMPLIMENT. - The New York Express Cincinnati Ecquirer, Buffalo Courier, Louisvi le Courier-Journal, Atlanta Constitution, and other journals, have all republished the "Sooty-graphs," which appeared in the Jane number of the Nineteenth Century. Herbert Sass, Esq., are among the contributors.

THE PROLITIC WOMAN. - We mentioned, a day or two ago, that a colored woman had given birth to four children. Since then a large number of colored people have called upon her and gazed and gazed at the crowd on the bed, one woman and four time boys. While this affair may be considered by some unlucky for the woman, yet in one way it has been fortunate for her, as nearly every one of the gether receiving about two hundred dollars.

STEALING MONEY FROM A LETTER. - Yesterday afternoon two colored women went to the detective office and one of them told the chief that her husband had gone from the city to work and wrote to her frequently, addressing her letters to the care of another woman. That the said woman had generally brought her letters regularly, but last week only handed her one, when it was known she had received two. The one she received stated that her husband or nine .uckshot lodged in his body and neck. had sent her torty dollars in another letter, One or two of the shot from the load also sent by the same mail; and she therefore supposed that the woman had the letter with the money. Officer Nipson was sent to look into the matter, and soon found the bits of the missing letter in the woman's house. He then menced a search for the m nev, which he also found, and then the woman confessed that be mortally injured, was conveyed to his home near Aiken. she had stolen it:

THE WASHINGTON CORNET BAND.

prespondence Selative to the Money Sent from Charleston to Replace the Broken Instruments.

Subjoined is the correspondence of Captain McNelty, of the steamer Dictator, General R. H. Anderson, Chief of the Savannah Police, and of J. J. Millen, leader of the band, relative to the money sent by the citizens of Charleston to assist in replacing the damaged instruments of the Washington Cornet Band. The The Savannah News from which we take the correspondence, says that the manly response of Leader Millen, in behalf of his band, breathes the right spirit. We commend his example to those of his race in Charleston, who, under the malignant influences of unprincipled demagognes, outraged law and order, and brought disgrace upon themselves: CHARLESTON. S. C., July 27, 1869.

General R. H. Anderson, Savannah:

DEAR Sir-Iu behalt of a portion of the merchants and citizons of Charleston, I have the pleasure to hand you herein one hundred and sixty dollars, which I have this day coland sixty dollats, which I have this dry collected, to assist in replacing the instruments of the "Washington Cornet Band" brok in and injured during the riot on the Citadel Green, in this city on the evening of the 26th instant, and beg that you will band it over to the proper persons. I think I do not err in saying that no community on regret more than ours the disgraceful scenes that took place on the occasion altuded to and that I can safely say that, should at any time the "Base Ball" or any other clubs of our suise city visit Charles. her clubs of our sister city visit Charles ton, the citizens will protect them, without aid

of police or military.

Very respectfully, your obed't serv't, WM. I. MCNELTY. Steamer Dictator.

SAVANNAH, July 28, 1869. Wm. T. McNelly, Esq., Captain Steamer Dic-

DEAR SIR-Your note of the 28th, enclosing \$160 has been received and deivered to the leader of the "Washington Cornet Band," who will, on behalf of his comrades, express their acknowledgments. As chairman of a meeting of the excursionists, beld on board the "Nick

acknowledgments. As chairman of a meeting of the excursionists, beld on board the "Nick King," it gives me great pleasure to testify to you how thoroughly we appreciate the feelings which dictated this generous and substantial expression on the part of our Charleston friends. If anything could be added to render more complete their generous bounty and whole-souled hospitality, it is this act, which has assuredly sealed a lasting feeling of sympathy and friendship between the two cities.

While we of Savannah have the good fortune to live under a city government which amply protects the interests and the lives of all our citizens, white and colored, and receives the support of both, we would not forget to express the wish that the colored people of Charleston may have their cyes as effectually opened to their true interests, and become, like those of our own fair city, peaceable, law-abiding citizens, respected and encouraged by the entire community. In conclusion, allow me to tender our sincere thacks to you for your individual participation in the matter, as well as for your conspicuous and energetic assistance to us during the late attack upon a portion of our band.

Very respectfully, Very respectfully, Your obedient servant.

B. H. Anderson, Chairman.

SAVANNAH, GA., July 28, 1869.

Wm. T. McNelly, Caplain Sleamer Dictator:

Six —General Anderson has just handed me your note, together with its computs, \$160. While we feel that the attack upon us was entirely uprovoked, and as entirely inexplicable to us on any other ground than that we have endeavored to gain the respect of the community in which we live, and to show ourselves good law-abiding citizens, we cannot consider good law-abiding citizens, we cannot consider that the citizens of Charleston should feel un-der any obligations to us from want of kindness, consideratian, or effort on the protect us while in your city; yet coming as it does, and so wholly unexpected by us, we feel most sensibly the kindly feelings which have dictated this generous offering. Allow me, sir, in behalf of the members of the band, to thank you and the citizens of Charleston most heartily and sincerely, and to express the hope that we may ever prove ourselves worthy of your

PAINFUL ACCIDENT-A LITTLE BOY LOSES HIS LEG.-A son of Mrs. F. J. Lippitt, of Providence, R. L. and nephew of Mr. F. J. Porcher, of this city, met with a most unfortunate accident at Lake Willoughby, Vermont, on the 18th of July, from the effects of which his leg had to be amputated. The little fellow, who is only twelve years of age, when on a visit here ted in last May and June, made many friends, who railway, cafe, reading room and a superior eeply deplore this unfortunate affair. It appears that he was out hunting on the mountains with his guardian, and a rock weighing several hundred pounds, upon which he stepped, gave way and rolled over with him, ciushing the right foot, severing the main arter and mashing every bone into pumice. little fellow bore the pain with marvellous fortitude, as he also did the amputation of the foot, which was found necessary the following day.

SHOOTING AFFAIR IN EDGEFIEED .- The Augusta Constitutionalist brings us the particulars of a serious shooting scrape which occurred on Monday last, at the residence of Mr. C. Glover, about fifteen miles below Kaolin. It seems that a quarcel of some standing had existed between two young men, George Weatherford and Alfred Holly, Jr. The former, some weeks previous to the rencontre, made an assault on the latter with a loaded gun. Being unarmed, Holly was torced to leap a fence and make it a screen, under pursuit of some distance, before escaping into the woods. Weatherford still threatened to shoot Holly on sight, which induced the latter to arm himself. On Monday, Holly was conveying a load of wheat to his brother. With his wagon (gnu in it) he stopped at Glover's, and, in company with Glover and his brother, was eating a watermelon, when Weathertor! drive up, also with his wagon. Holly, fearing that he might again be taken at disadvantage, ran from the house to his wagon, and, seizing his gun, fired at Weatherford, who fell from his mule with eight took effect on the mule. Before Holly had time, even if intending to discharge the second barre) of his gun, his brother, who had unsuccessfully tried to prevent the first fire. wrested the weapon from his possession. The wounded man, severely, but not supposed to

THE DOG THAT BIT A WOMAN.-THE NEWS yesterday mentioned that a dog belonging to Mr. Connor had bitten a woman named Charlotte Washington. Charlotte had a warrant issued against Mr. Connor, charging him with maintaining a ferocious dog. Yesterday the case was called before Justice Morrison. Mr. Moroso, counsel for Mr. Connor, proved that there was no law to prevent a man from keeping a ferocious dog; but it provided that a man should be punished for letting his ferocious dog go at large. The warrant was then dropped and a suit for damages commenced.

CRUMBS. - A colored woman with a babe in her arms applied to the detectives, yesterday, to have her daughter, twelve years of age, who had run away, brought back to her. On being asked what she intended doing with her, she replied that she only wanted the girl to know that she was the mother.

Orders for Dr. F. P. Porcher's volume of "Resources of Southern Fields and Forests," should be sent to the author, Charleston, (and not to Messrs. Walker, Evans & Cogswell,) when the work will be forwarded, post paid, upon the receipt of the price, \$3 50. Labrary style \$4 50. Sold also by booksellers generally. Amos Williams, negro, was arrested by Officers Quinn and Coates for stealing five dollars

from his mistress, and when arrested confessed the crime. He was sentenced to fifteen days imprisonment by the Mayor. A white policeman was yesterday dismissed

the force for drunkenness. Two white policemen, a Democrat and a Re publican, had a fight yesterday afternoon during which the Republican was pretty well

bruised.

THE WRIT OF HABEAS CORPUS should be suspended in the case of a little negro boy named Bob Lloyd, who is a notorious thief, and whenever arrested and confined for an offence manages to escape punishment by a writ of habeas corpus or some other manœuvre of the law. Day before yesterday he stole a watch from a jeweller on King-street and ran off. He was hotly pursued by the jeweller and dropped the watch, which was recovered. Bob was subsequently arrested by a policeman, and on yesterday was arraigned before the Mayor. The jeweller not appearing, the Mayor dismissed Bob, who, with a joyful face, moved rapidly from the police barracks. Officer Nipson, who was near by, and having a little claim on Bob's time, arrested him. Bob pleaded great innocence for awhile, but finally acknowledged that he had taken the watch. He also confessed to having perpetrated other robberies. He will go to iail.

THE CONSTITUTIONALITY OF THE HOMESTEAD Law .- At the present term of the Court of Common Please, (Equity side) for Ocones, Judge Jas. L. Orr has pronounced a decision affirming the constitutionality of the Homestead law. After an elaborate review of the reasons which influenced his opinion, the Judge concludes :

I therefore adjudge that the Constitution and laws of this State, securing a homestead to each head of a family, whether the debt or lien existed at the date of the adoption of the constitution or has been sub-sequently created, is no violation of the Constitution of the United States.

the United States.

If I had grave doubts on the question, I should feel it my duty to solve them by pronuncing the Constitution and laws of the State no violation of the Constitution of the United States. When the Circuit and Supreme Court Judges of a State decide a State law unconstitutional, no appeal lies to the preme Court of the United States, and the citizen is thereby denied the numbers of violating the thereby denied the privilege of vindicating the constitutionality of the State enactment before that august tribunal.
