III. Gray Time shall pause and smooth his wrinkles,
Bright garlands 'round his scythe shall twine,
The sands from out his glass shall sprinkle,
And fill it up with wine!
With rosy, sparkling wine!

Thus hours shall pass which no man reckons,
'Mongsi us, who, glad with mirth divine,
Heed not the shadow; hand that beckons,
Across the sea of wine:
Of bulowy, gushing wine!

And though 'tis true they cross in pain,
Who sober cross the Stygian ferry.
Yet only make our Styx champagne,
And we shall cross right merry,
Floating away on wine!

Old Charon's self shall make him mellow,
Then gaily row his bark from shore;
While we and every jovial fellow
Hear, unconcerned, the oar
That dips itself in wine!

New York Rice Market. Prom the Journal of Commerce, 27th inst: There is a fair call for domestic for dealers' use, and with a very small stock here prices are in the sel-

prime, and landy at 750 colors prime, and landy of 150 tos. In Rangoon we do not learn of any business.

From the World: To sell freely at present, a concession would be necessary, as the demand is very moderate, and only for job lots from the regular trade, but holders, in most cases, seem inclined to insist upon full figures, and we still quote at 6½47c for common to prime Carolina, and 7½c asked for choice. Sales of 100 hhds.

From the Tribune: The stocks are small, pretty well under control, and offered only at full prices, but the business does not in prove, and buyers generally show a want of condidence. We quote Carolina at about 6½a6½c for common to good; 7c for choice, and 7½ for fancy in a small way. Sales to day of 100 therees. Foreign in demand at 3a5½c, gold, in bond, for Rangoon.

NEW YORK. April 27.—NAVAL STORES.—For spirits turpentine there is a very limited sale, and the market has dropped another point, sales from yard having been made at 45c, at which the market closed. The decline is owing to the decreased consumption and the disposition of the trade to buy only as they have occasion to use, together with the fact that the arrivals are fair, and there is an average ampetit on the way: sales are 64 with the fact that the arrivals are fair, and there is an average quantity on the way; sales are 64 bbls from yard at 45c, and 80 bbls from wharf at 46a46½c. For rosin there is not much demand; a few lots strained are working off for shipment under an easier freight market; but the market lacks animation. No 1 and pale are very quiet, the business recently having about stocked local buyers. The light stock generally checks any change in prices, and the sales noted are at full former prices. 1000 bbls good strained and low No. 2 were sold at \$2 15. We quote at \$2 05 for strained common; \$2 10a2 12½ for good strained; \$2 20a2 30 for No 2; \$2 90a3 75 for No 1; \$4a6 50 for pale and extra pale. Tar is in moderate demand, with prices irregular, but rather stronger. We quote at \$2 25a2 30 for Washington, and \$2 30a 2 40 for Wilmington.

ROSIN.—We have no important change to report in the market for this article so far as regards prices. For the lower and finer grades there has been a fair inquiry during the week, and parcels when offered have generally found sale at quotations given below, while for the medium grades the demand has been checked, and sales limited—the market closing rather dull for latter quality. The arrivals both by river and rail are exceedingly small, and there is no stock of consequence on the market. The week's sales are as follows: Friday, 236 bbis at \$1 6021 62½ for strained, and \$4 for low pale; Saturday, 903 bbis at \$1 60 for strained, \$1 702 175 for No 2, \$275, \$3 371½ a 3 50 for No 1, and \$5 10 for extra pale; Monday 546 bbis at \$1 60 for strained and No 2, \$3 for No 1, and \$4 50 low pale; Wednesday, 249 bbis at \$1 60 for strained, \$1 75 for No 2, \$3 75 for No 1, \$4 for low pale, and \$5, \$5 5035 62½ for extra pale; Thursday. 424 bbis at \$1 62½ for strained, \$3 25 for No 1, and \$4 5025 for pale—all per bbi of 280 lbs.

Tan—There has been less inquiry from shippers during the week, and the price shows a decline of loc—the market closing quiet but steady at \$1 50 per bbi. The receipts are 1294 bbis, and sales as as follows: 356 bbis at \$1 60, 256 bbis at \$1 55, and 652 bbis at \$1 50.

MESSRS. JACOB LIFFMAN & BRO., Savannah, Ga.:

Gents—I have before me your esteemed letter of
the 14th instant, containing various documents
relative to your "German Bitters." After a careful examination I must confess that your Bitters
is really what you represent it to be, an old German recipe of Dr. Micherlich, of Berlin, Prussia.
It will no doubt be excellent for Dyspepsia, General Debility and Nervous Diseases, and it is a
good preventive of Chilis and Fevers. I find it to
be the most delightful and pleasant stomachic.

I remain, yours truly,
