And presently entwined were arms, and eye spoke mute to eye,
No sound around to break the charm save when

Old am I now, and silver-haired, and life hath loss its zest, I soon beneath the daisied turf shall lie in dream But whilst I live and whilst I love, on this fair earth below, I'll treasure in my heart of hearts those dreams of

in the latter is an insurmountable obstacle to its
use with most persons, and always with children.

SWEET QUININE is in two forms—in Powder, for the use of Physicians and Druggists, and Fluid for use in the family and for the general public. STEARNS, FARR & CO.,

hen you are exhausted by overwork of head or hand, and feel the need of something invigorating, don't drink whiskey or any intoxicating thing, whether under the name of Bitters or otherwise. Such articles give just as much strength to your weary body and mind as the whip gives to the jaded horse, and no more. Alcoholic stimulants are injurious to nerve health, and are always followed by depressing reaction.

DODD'S NERVINE AND INVIGORATOR

WHAT MEDICINES

YOU TAKE.

Is a Tonic and gentle stimulant, which is not attended by reaction. What it gains for you it maintains. When it refreshes body or mind, it refreshes with natural strength that comes to stay. We are not recommending tectotalism in the interest of any faction; but long and extended observation teaches us that he who resorts to the bottle for rest or recuperation, will find, as he keeps at it, that he is kindling a fire in his bones which will consume like the flames of perdition. Turn from it. Take a tonic that will refresh and not destroy. DODD'S NERVINE is for sale by all Druggists. Price One dollar. See book of certificates that accompanies each bottle. Star Shirts.
