TWO GREAT BOOKS.—We have received from Fogarty's Book Depository, King street, part 9 of Lippincott's "Universal Pronouncing Dictionary," and part 9 of "Chambers' Encyclopedia."

I. O. O. F.—The attention of the members of the Order, and particularly the officers and members of the Grand Lodge, is directed to the advertisement of the grand secretary in this morning's paper.

THE FLORIDA STEAMERS.—On and after Tuesday next, the steamer Dictator will sail every Tuesday for Savannah, Fernandina, Jacksonville and to all points on the St. John's River. The City Point will lay by a while for repairs.

THE DISASTER TO THE TENNESSEE.—A very general sympathy was evoked yesterday upon the announcement of the misfortune to the new iron steamship "Tennessee," and the offices of the agents were thronged during the day by the numerous friends of the line, who, with the public generally, seemed to regard the disaster as a public calamity.

OUR PRICES CURRENT.—We especially invite the attention of our merchants to THE NEWS' Prices Current, issued this morning. Made up with the utmost care, and handsomely printed with entirely new type, it forms, with the business card of the house for forwarding it, the most attractive and welcome weekly commercial circular that can be used. Price, for ten copies or more, with business cards, two and a half cents per copy; single copies five cents.

TRAVELING OFFICIALS.—The Augusta Chronicle, of yesterday, has the following paragraph: On yesterday morning the Pennsylvania, the special car belonging to Alfred Tyler, Esq., the vice-president of the South Carolina Railroad, reached here from Charleston, bringing Edward H. Barnwell, the general freight agent of the South Carolina Railroad; S. B. Pickens, the general ticket agent, and L. C. Hendricks, the assistant auditor of that corporation.

PARADE OF THE COLORED FIREMEN.—The Comet Star Fire Company, No. 5, and Prudence Fire Company, No. 4, of this city, have invited the Comet Fire Company of Orangeburg to visit them and participate with them in their parade on the afternoon of the Fourth of July. The visiting company is expected to arrive on Sunday afternoon. Three fire companies from Savannah are also expected to be present.

UNITED STATES COURT.—HON. GEORGE S. BAYAN, JUDGE, PRESIDING.—In the case of the United States vs. John Frazer & Co., before the Circuit Court, yesterday, the following order was made: THE UNITED STATES OF AMERICA vs. JOHN FRAZER & CO. The order in this case, made and entered on the 24th day of May, 1870, being submitted to the court for reconsideration, upon argument of the parties, it is ordered, that whenever the trustees, Messrs. Charles T. Lowndes and James Bobb, shall make sale of any part of the property contained in the deed mentioned in the order of May 2, 1870, the cash proceeds of sale received by them, or either of them, shall be paid to the clerk of this court by them, and that any securities taken from the purchaser or purchasers, in part payment of the cash portion of the sales, if the whole or any part be on credit, shall be deposited in the hands of said clerk; and that at the same time, the trustee or trustees so making such sale shall report the same, setting forth the proper sale, the name of the purchaser or purchasers, the amount of the sales-money, the terms of sale, distinguishing between the cash and credit, and how the credit portion may be secured; that the said sales-money and securities, when paid and deposited as aforesaid, shall be held therein, subject to the order of the court.

THE PUBLIC SCHOOLS.—We learn that the public schools of this city were yesterday formally transferred to the new board of commissioners, lately appointed by Governor Scott. Fourteen years have elapsed since the present system of schools was introduced into this city, and during the whole of that period political influences have never been allowed to enter into the election of the board of commissioners. A new era has now dawned upon our city and State, and the same pernicious influences, which have for the past few years brought ruin and disgrace upon our unhappy country, have at last been brought to bear upon this important public interest. The citizens of Charleston have, at great expense, erected buildings second to none in the United States; and we trust that the new school authorities will not allow the reputation which our schools have won to be destroyed by precipitate or unwise action.

THE PROPERTY WHICH THIS BOARD HOLDS IN TRUST for the citizens is valued at more than \$100,000, nearly the whole of which has been accumulated since the introduction of the present system. Over twenty thousand children have been enrolled in the schools during this period, and these pupils are now found in all the walks of life. To the gentlemen who have so long and so ably managed the schools, we desire to return the thanks of the community. We append the names of the new and old boards.

New Board.—Moulton Ewing, chairman; J. D. Geddings, Ward 1; Wm. McKinlay, (colored) Ward 2; Samuel L. Bennett, (colored) Ward 3; M. H. Warren, Ward 4; Arthur Sumner, Ward 5; Wm. H. Birney, (colored) Ward 6; James M. Eason, Ward 7; Thomas Smith, (colored) Ward 8.

Old Board.—Hon. C. G. Meminger, chairman; W. J. Bennett, Hon. W. D. Porter, Hon. Wm. Alston Pringle, John Russell, Frederick Richards, Hon. Henry Bull, Hon. Wm. S. Henery, Hon. F. A. Sawyer, Benjamin Lucas, Hon. C. M. Furman, P. J. Coogan, Hon. C. H. Simonton.

HER RELATIVES, FRIENDS AND acquaintances are respectfully invited to attend her Funeral Services, at the Unitarian Church, THIS (Friday) AFTERNOON, July 1st, at half-past 6 o'clock. July 1.

OBITUARY. THOMPSON.—Died, in this city, on Sunday morning, 26th inst., after a brief illness, HENRY T. THOMPSON, formerly of Greenville, S. C., in the 38d year of his age.

A BROADSIDE FOR HUMBLES.—Incompetence and assurance generally go hand in hand, and of all the tribe of pretentious know-nothings with which society is afflicted, the unscientific "medicine men" who attempt to tamper with the health of the community are the most dangerous and the most impudent.

It appears that a mushroom growth of so-called "Bitters" is springing up under different names in various localities, particularly in the Southern and Western States, which the vendors have the hardihood to recommend to eating-going people upon whom they think they can impose, as a substitute for HOSTETTER'S TOMKACH BITTERS, long recognized by every class as the purest and best medical stimulant and invigorant of the world.

The concoctions referred to being composed of worthless materials, offer a larger margin for profit than that celebrated Tonic, and hence the anxiety of dollar-worshipping dealers to foist them upon the public in its place. But "forewarned is forearmed," and all parties whose distinguished (?) beings are endeavoring to coax and inveigle into substituting trash for a standard remedy, are hereby informed of the reprehensible and sordid motives which underlie the present popularity of vast sales of HOSTETTER'S BITTERS cannot, of course, be seriously impaired by these "tricks of trade," but as the debilitated and suffering have a direct interest in the matter, it is only an act of common humanity to put them on their guard.

CITY TAXES.—CITY TREASURY, JUNE 1, 1870.—Pursuant to an Ordinance to Raise the City Taxes for the year 1870, the Second Instalment of one-third of the Corporation Tax will be received at this office from and after this date to the first of July. S. THOMAS, City Treasurer.

LIPPMAN'S GREAT GERMAN BITTERS, the most delightful and effective in the world. LIPPMAN'S GREAT GERMAN BITTERS strengthens the debilitated. LIPPMAN'S GREAT GERMAN BITTERS cures female complaints. LIPPMAN'S GREAT GERMAN BITTERS cures "never well" people. LIPPMAN'S GREAT GERMAN BITTERS will give an appetite.

BATCHELOR'S HAIR DYE.—THIS SWEETENED HAIR DYE is the best in the world; harmless, reliable, instantaneous, does not contain lead, nor any other toxic poison to produce paralysis or death. Avoid the various and delusive preparations boasting virtues they do not possess. The genuine W. A. BATCHELOR'S HAIR DYE has had thirty years' unblemished reputation to uphold its integrity as the only perfect Hair Dye, Black or Brown. Sold by all Druggists. Applied at No. 16 Bond street, New York.

A MOST DELIGHTFUL DESSERT may be found in the new article of food, SEA MOSS FARIN, which can be purchased for twenty-five cents a package, that will produce sixteen quarts of most excellent light mango, or a proportionate quantity of custards, blanc puddings, farina, creams, sauces, gels, Charlotte Russe, &c. This seems almost incredible; but it is vouched for by ladies of the highest respectability, who append their names to their statements. The company state that at least fifty delicious dishes can be made from the Sea Moss Farin, and give in their circular the recipes for many of them. We consider Mr. Rand's discovery a highly important one for the millions, and indeed for all classes of society, in these stringing times.

A GRAND EPOCH IN SCIENCE.—From the time when, in 1834, Dr. RUGGE discovered "Carbolic Acid" and its extraordinary medical effects, nothing in the history of Medicine has equalled it. Largely used by the French physicians in treatment of consumptive and scrofulous diseases, it was introduced by the Court Physician of Berlin, MAX ERNST HENRI, into Prussia, and from thence to the United States. No other remedy of the present day can equal HENRI'S SOLIDOL OR CARBOLIC CONSTITUTION RENOVATOR. Patients get better after only one dose has been taken, and we cordially recommend it to the public.—Editor "Argus." JAN 17
