Circular. NEW YORK, July 2.—The business in naval stores the past week has been quite limited, the only activity apparent being in the rosins, which have met ready sale at the late decline. The marketla hawaver, quite bare of the better grades, very little of which have appeared for two weeks past, and prices are, of course, well sustained.

Strained continues dull, although freights are easier, and \$2 is an extreme rate. There is very little business passing. Spirits turpentine has ruled dull and quiet; but after selling down to 370 on the spot and to arrive, closes with more firmness at 37%c bid, with none to be had under 38c. This is chiefly owing to our small stock, which, but for the intervention of the 4th of July, would doubtless send prices over 38c. There are moderate supplies anoat and due, which, in the absence of any shipping demand, will doubtless check the advance. We note sales of 100 bbis spirits at 37a38c; 8600 bbis rosin at \$1 97%22 05 for strained; \$2 12a2 40 for No 2; \$2 25a3 50 for No 1, and \$4a6 for pale. Tar is dull and nominal at \$1 80 for North County and \$2 for Wilmington.

CAREFUL E WHAT MEDICINES YOU TAKE.

When you are exhausted by overwork of head or hand, and feel the need of something invigorating, don't drink whiskey or any intoxicating thing, don't drink whiskey or any intoxicating thing, whether under the name of Bitters or otherwise. Such articles give just as much strength to your weary body and mind as the whip gives to the jaded horse, and no more. Alcoholic stimulants are injurious to nerve heath, and are always followed by depressing reaction.

DODD'S NERVINE AND INVIGORATOR Is a Tonic and gentle stimulant, which is not attended by reaction. What it gains for you it maintains. When it refreshes body or mind, it refreshes with natural strength that comes to stay. We are not recommending teetotalism in the interest of any faction; but long and extended observation teaches us that he who resorts to the bottle for rest or recuperation, will find, as he keeps at it, that he is kindling a fire in his bones which will consume like the flames of perdition. Turn from it. Take a tonic that will refresh and not destroy. DODD'S NERVINE is for sale by all Druggists, Price One dollar. See book of certificates that accompanies each bottle.
