THE HEALTH OF THE CITY. Meeting of the Howard Association. The regular weekly meeting of the executive committee of the Howard Association was

James H. Taylor in the chair, and Dr. George S. Pelzer secretary. Letters of application for membership (enclosing \$5 each) were read from Messrs. F. Horsey, W. L. Webb, N. A. Hunt, Warren R. Davis, Bernard O'Nelll, H. Leiding, W. B. Burden and A. Canale, and the rules being suspended. the applicants were duly elected members of the association.

The following contributions have been received : D. F. Fleming & Co., \$50; George A. Trenholm & Son, \$50; Wm. L. Webb, \$20; Johnston, Crews & Co., \$25; Charleston Hotel Stables, \$25; Goldsmith & Sons, \$20; Geo. E. Gibson, \$20; M. Triest, \$10; L. E. J., \$100.

On motion, the treasurer was ordered to acthe association to the donors.

The directors from the various wards then read their reports, which afford a cheering exhibit of the decline of the fever. Only three deaths had occurred from the fever during the week among the numerous patients of the association. The convalescents who have been discharged exceed the applications for aid during the week, and the number of cases now under treatment are far less than when the report of Friday was made up.

There being but one director able to attend te his duties in Ward 4, Mr. Nelson asked for an assistant, and General DeSaussure having offered his services, they were accepted in the place of electing a naw visitor.

Mr. Evans presented a report on disinfectants, which had been prepared for the society, but being too voluminous to be read, it was referred to a committee consisting of the chairman and Mr. Evans, to take such steps as they might see fit.

On motion, the regular quarterly meeting of the association was fixed for Friday next at twelve M., and the clerk directed to communicate notice of the same to each member of the board.

On motion, the meeting then adjourned. Friday's Report of the City Registrar.

The Southern State bonds were uniavorably The Southern State bonds were uniavorably influenced by a fresh display of weakness in the South Carolinas, which touched the lowest figures recorded since their restoration to the call of the Stock Exchange a few years since on the resumption of interest payments. It seems that a large amount of the bonds had been hypothecated with the Tenth National Bank, which called the money, and was compelled to sell the bonds on account of the default of the borrowers of the money. The January and Jaly bonds sold at 49½, and the April and October bonds at 48½.

THE PAROCHIAL SCHOOL, CHURCH OF THE HOLY COMMUNION .- We are requested to inform the patrons of the Parochial School of the Church of the Holy Communion, that the "home" or boarding department of this institution will not be opened for the reception of the pupils until such time as it shall be prudent for them to return to the city. Every preparation is being made to offer more comtable accommodations to the future inmates of the home, and due notice will be given by advertisement in this paper when the superintendent will be prepared to receive them. In the meantime, the exercises of the day school have been resumed for such scholars as l'averemained in the city.

ROBBERT ON EAST BAY.

Juvenile Depredators at Work.

Joe Fields, six colored boys, ranging from ten to fourteen years of age, were arrested yesterday morning by Officers Hood and Hernandez, charged with stealing a lot of canned tomatoes and bacon from Mr. Quackenbush's wholesale store on East Bay. Pharaoh acknowledged that he had, but reminded Brown that he was a.so implicated in this affair, and had taken charge of two flitches of bacon from the same store. Upon hearing these charges, the officer, who was unknown to the thieves, arrested them both. On their way to the Detective office they became very communicative, and told how they had effected the robbery. The party, consisting of the six boys above named, bad gone to the side door of Mr. Quackenbush's store, and, while the clerks were engaged, one of the boys climbed up the railing, and by pushing it back got his hands to a box. In this way they had taken out several cans and one or two flitches of bacon. Some of the party kept watch, and the spoils were divided on the spot. Accompanied by Pharaoh, the officer went in search of the other boys, and bagged them as they were pointed out by his companion. They were all secured in the Detective office, and seemed to enjoy the scrape hugely. They were taken before Trial Justice Schroder later in the day, and after an examination, Brown, Garrett and Fields were sent to jail for thirty days on the charge of larceny, White and Coles received a similar sentence for vagrancy, and Ravenel was also sent up for twenty days, he being the had gone to the side door of Mr. Quackenknowledge the same, and return the thanks of and by pushing it back got his hands to was also sent up for twenty days, he being the youngest of the batch.
