FALLING IN THE STREET .- Yesterday, between 12 and 1 o'clock, a white man, named Jancovich, fell down suddenly in Market street, near Church, apparently in convulsions. A large crowd speedily gathered around him, and several began to rub him with camphor, kerosene, &c. The sufferer seemed to recover a little, and under the treatment of a physician, who was quickly sent for, was afterwards carried home.

STEALING PINS .- Henry Boyce, a colored boy, was brought before the Mayor, yesterday morning, charged with stealing several coupling pins from the cars on the South Carolina Railroad. The prisoner was detected at the same trick some time ago, but was let off. This time he was caught in the act, and turned over to the police. He was sent to the House of Correction fr ten days as a vagrant.

INSANE .- On Thursday night a white youth, calling himself Jose Goss, applied at the Guardhouse for a nights' lodging, and was accommodated. Shortly after he had retired, the officer went to his cell, when Goss flew at him like a wild cat, andran around the Stationhouse shouting, and apparently trying to get away from something. He was brought before the Mayor, supposed to be insane, and referred to the city registrar for exam-

Richard Mustapha and Mary Dryers, lodged for indecent behavior and being disorderly in George street, were discharged with a reprimand. Two jolly inebriates, who found Meeting street

too crooked for a sober man to walk in, were arrested by the police, whom they abused to their heart, content. They paid up five dollars each before the Mayor and departed. ROBBERY ON THE PILOT BOY .- David Scott,

colored, was arrested last evening by Officer Hernandez, on board the Pilot Boy, as the steamer had been eftered through a side window, and next morning the mone, had been missed, and marks of naked feet and a chisel used in forcing the drawer were discovered. The facilities of this route is attracting a full line of business for the two superior steamships now in this service.

SHOT HIMSELF .- The jury of inquest over 6th of September on a plantation near Adam's Run, and afterwards conveyed to the City Hospital where he died, met again yesterday morning the coroner's office—an adjournment having come necessary, owing to suspicions of foul play in the matter and the absence of all wit nesses. These had to be summoned from St. Paul's, and arrived a few days ago. The evidence adduced showed that the deceased was at the Marshall plantation, in St. Paul's, a short distance from Willtown, rented at the time by a colored man named Dens. The deceased was about coming out of the door of a house with his loaded musker, and in doing so placed the butt end of the nasket on the sill of the door. As he passed through the door the butt of the musket slipped, and the sill striking the hammer discharged the gun. The deceased was struck and badly wounded by the shot, and his friends, having no surgeon to attend him, brought him to the city. The jury returned a verdict of accidental death.

THE HEALTH OF THE CITY.

From the up-country we have advices of good white frosts, which, down this way, are few and far between. Two deaths from yellow fever were reported

vesterday, both of which took place on the 18th. FRIDAY'S REPORT. OFFICE OF BOARD OF HEALTH, CHARLESTON, S. C., October 20-12 M. Two certificates of death from yellow fever re

The Howard Association. The regular weekly meeting of the executive ommittee of the Howard Association was held resterday at 12 M., at the Market Hall, President James H. Taylor in the chair.

The following contributions have been received during the week: From the Southern Express Company \$500; John Glbbon, of Boston, \$25; Crane, Boylston & Co., \$25; Evert E. Bedford, \$25; Dowle, Moise & Davis, \$15; E. Scott, \$10. On motion, the treasurer was ordered to acknowledge the same, and to return the thanks of the asso

ciation to the donors. These contributions, headed by the handsome ionation of the Southern Express Company, enable the association to continue their work for the nex: week without making a call upon the pub lic. The small amount of available capital in the possession of the association at the beginning of the summer has been carefully expended, and the objects of the association have thus far been fully and faithfully carried out. It is hoped that the liberality of our citizens will continue during the short time yet remaining before frost, and, of their own accord, maintain the association in

financial vigor. The reports of the directors for the various wards were read, showing a general decline of the fever in the lower wards but an increase in Ward 8. Only eight deaths have occurred during he week among the patients of the association. Mr. Evans proposed Dr. J. T. Wightman as visitor in Ward 8, in the place of the late Hon. W. S. Henerey. A ballot being taken, Dr. Wightman was duly elected.

Adjourned until Friday next. ARSON .- Two men were brought to the city vesterday on the Savannah and Charleston Rail read by the detectives, charged with burning the dwelling-house of Mr. J. H. Ruddell, near Matthew's Bluff, in Beaufort County. The amdavits have been made before Trial Justice J. G. Mackey, and the parties will be examined to-day.

ANOTHER RAID .- Thursday night the premses of Mr. Badenhop, at the southwest corner of King and Market streets, were again visited by a thief, who succeeded in carrying off a valuable gold chain and ten dollars in currency. The articles were stolen from the upper part of the house and a suspected party will be arrested to-day.

THE CHURCH BURGLARY .- Isaac Mackey, the colored youth arrested while bird-nesting in the Initarian churchyard, and charged with stealing the aisle carpet from that church, was examined yesterday morning before Trial Justice Magrath The evidence offered was strong against Isaac and he was committed for trial before the next term of the Court of General Sessions.

RAILROAD ACCIDENT .- Between 1 and 2 o'clock yesterday afternoon, a mule and cart pelonging to Mr. J. H. Devereux was passing through Romney street across the track of the South Carolina Railroad, when a train of cars came speedily down the track. Before the team could clear the track it was struck by the engine, and the driver pitched some distance on one side The cart was turned over and dragged a little way by the engine, while the mule was quietly unhitched by the turning over of the cart, and looked on pleasantly, being entirely unhurt. The driver also escaped without injury, the cart only being damaged.

At a regular meeting of the Board of Fire- | SCARFS. masters, held at the hall of the Charleston Hook and Ladder Company, No. 2, on the 18th instant the following preamble and resolutions were

unanimously adopted : Again is this board called upon to record th demise of an esteemed member. The Angel of Death, in recruiting his forces, has added another victim to the army of souls who have gone to their final resting place. We mourn the loss of A. B. Jarvis, foreman of Hook and Ladder Company No. 1. As a board we have been deprived of his aid and advice. In our intercourse with him we could not fail to notice that kindness of manner which beamed from his countenance. Taken away from his sphere of usefulness in the vigor of minhood, we cannot refrain from expressing our heartfelt sympathies, and regret his untimely

death. Therefore, be it have at length concluded all their arrangements, and have determined to visit this city in November next. From the correspondence of the secretary of the correspondence with their visits and with them feel the void that has been made by his clost h
