

CITY AFFAIRS.

J. A. Enslow & Co. will sell at half-past 11 o'clock, at South Atlantic wharf, the steamer Agnes and a flat.

Wm. McKay will sell at 9 o'clock, at his store, fancy goods, jewelry, &c.

SULLIVAN'S ISLAND.—The Very Rev. Dr. Birmingham will officiate in the Catholic Church, on Sunday, at half-past 7 o'clock precisely.

NO MARKETS ON CHRISTMAS.—This will be a busy day in the markets, as to-morrow is Sunday and there will be no markets open on Monday.

CHANGE OF SCHEDULE.—The day passenger train on the South Carolina Railroad will leave Charleston, on and after to-morrow, at 8.10 A. M., instead of 8.20 A. M.

COTTON FOR LIVERPOOL.—Mr. Henry Card cleared, yesterday, for Liverpool, the British bark Agna, with 13 bags sea island cotton, 2005 bales upland cotton, 250 tons phosphate rock, and 1200 staves.

CONSCIENCE FUND.—The general ticket agent of the South Carolina Railroad requests us to say that he has received \$6 25 unpaid to him by \_\_\_\_\_, of Beaufort, for enclosed passage.

POULTRY DEALERS IN TROUBLE.—John Wilson and Thomas Saunders, two colored dealers, were brought before the Mayor yesterday morning for selling poultry without license.

CEBS AND STARS.—D. Conroy, arrested for raising a disturbance upon his premises in St. Philip street, was fined two dollars.

Five candidates for delirium tremens spent Thursday night in the Guardhouse, and were each fined one dollar next morning.

QUICK TRIP.—The Carrie A. Bealy, a new vessel, arrived here from New York yesterday in the rapid time of seventy-two hours.

She has a valuable assorted cargo, and comes in Messrs. H. F. Baker & Co.'s Commercial line of New York packets.

CROWDED OUT.—We have received a communication correcting certain misstatements concerning a sale of bonds by Dr. W. L. Wray, of this city, contained in a recent speech of Mr. C. C. Bowen on the impeachment of Governor Scott.

The musical world of Charleston is all in a flutter of expectation at the coming of the fair American songstress, whose gifts have made her so celebrated in the Old World and in this country.

Her own high reputation, and the evidence of the several artists by whom she is supported, give assurance that her concert next week will be musical treat of no ordinary character.

A WAGON SMASHED.—On Thursday afternoon a countryman attempted to drive his team, consisting of a wagon and horse, across the track at the Magnolia crossing, as the train on the Northeastern Railroad was approaching the city.

The engine struck the rear wheel of the vehicle and threw the whole team into the ditch. The driver was considerably bruised, but we believe not seriously injured, and the wagon stands in need of extensive repairs.

MASONIC.—At the regular communication of Etewan Lodge, No. 95, A. F. M., held at their hall at Mount Pleasant, on the evening of the 21st instant, the following officers were elected to serve for the ensuing Masonic year:

Thos. D. Jersey, W. M.; John T. Duke, S. W.; O. S. Gregory, Jr., W. M.; Wm. H. Sunkler, treasurer; E. M. Royal, secretary; John Ferguson, Sr., D. P.; Peter Weinheimer, Jr., D. J.; Thomas Hamlin, Jr., S. V.; Venning, stewards; J. L. Inglesby, tiller.

At the annual communication of St. Andrew's Lodge, No. 10, A. F. M., held Monday evening, December 18th, over Holmes's Bookstore, corner Wentworth and King streets, the following officers were elected to serve for the next Masonic year:

J. E. Bolneet, W. M.; E. N. Jeanneret, S. W.; F. Teppé, J. W.; T. S. King, treasurer; L. P. Speisberger, Jr., secretary; J. H. Kendall, S. D.; J. D. Jas. McHugh, W. S. Varner, stewards; J. J. Beasley, tiller.

THE CHAMBER OF COMMERCE AND THE NEW POSTOFFICE.—An informal meeting of the Chamber of Commerce was held yesterday at their rooms, at the corner of East Bay and Broad streets.

The president of the Chamber, S. Y. Tupper, Esq., suggested to the members present that it would be proper to celebrate the restoration of the Postoffice to the old site, and, at his instance, a committee of three, viz: Messrs. E. Sebring, W. C. Bee and F. W. Dawson, were nominated to wait on the Postmaster, Stanley G. Trott, Esq., and invite him to visit the Chamber.

Upon the arrival of Postmaster Trott, President Tupper briefly expressed his gratification at the result of the labors of the Chamber, and thanked Mr. Trott for his kindly co-operation as well as for his acceptable administration of the business of his department.

Mr. Trott made a graceful reply, thanking the president most kindly for his cordial greeting, and assuring the Chamber of his earnest desire to do all that in him lay to promote the prosperity of the city.

We may say, in this place, that Postmaster Trott is, as he deserves to be, an eminently popular man in Charleston. His courtesy, fair-dealing and official industry cause him to be respected by even the most zealous opponents of the party to which he belongs.

Connecticut is not all of b'ame while that State can send us a man like Stanley G. Trott.

THE NEW ENGLAND SOCIETY.—The fifty-second anniversary meeting of this time-honored and wealthy society was held yesterday at the Charleston Hotel, at which the following gentleman were elected to serve as officers for the ensuing year:

Hon. James B. Campbell, president; James B. Betts, first vice-president; A. B. Taft, second vice-president; Thaddeus Street, secretary and treasurer; H. E. Hayden, Dr. Leiby, L. T. Potter, D. F. Fleming, E. W. Edgerton, C. R. Brewster and J. B. Reed, committee on charity; P. P. Locke, H. W. Kinsman and S. N. Brown, committee on letters; L. D. Mowry and W. S. Bastie, committee on finance.

Later in the evening, the society, with their guests assembled in the private dining room of the hotel where a splendid banquet awaited their attention. The table in itself was wonderful to behold. The central figure was a marvel of taste, and the other ornamental pieces elicited the praise of all present.

The whole affair was got up and arranged in the hotel, and spoke wonders for the skill of the confectioners and other departments of the cuisine. The numerous courses were served with order and precision by the attendants, and the whole resulted in a success which added new laurels to the host of the Charleston. The entertainment was elvined by the performances of the splendid band from the Citadel, and what with the toasts and responses, prepared and extemporaneous, was kept up until the small hours of morning came on apace.

VERDICT IN THE RAILROAD ACCIDENT CASE.—The inquest in the case of Mrs. Dotterer, who died on the 3d of December, from the injuries she received by the railroad accident two days before, a short distance above Florence, has been proceeding from time to time, and was concluded yesterday morning.

The jury found that the deceased "came to her death, on the 3d of December, 1871, from injuries received by an accident on the Wilmington, Columbia and Augusta Railroad, on the morning of December 1, 1871, said accident being occasioned by causes unknown to the jury, but believed to be from the imperfect construction of the road."

Fertilizers. IMPORTANT TO PLANTERS AND FACTORS.

MIDDLETON'S FISH AMMONIATED PHOSPHATE.

This excellent brand of FERTILIZER comes before the public well recommended. Having been prepared with great pains and best materials, its adaptation to the crops of this section is unassured, the evidence of which is furnished by the following testimonials of Professor HEPBURN and J. B. BISSELL, Esq., which we annex as follows: OFFICE OF THE STATE INSPECTOR OF FERTILIZERS, March 31st, 1871.

Messrs. J. A. Enslow & Co., Agents Middleton's Fish Ammoniated Phosphate. GENTLEMEN.—Enclosed please find the analysis of the sample of "Middleton's Fish Ammoniated Phosphate" selected by my assistant from the cargo just arrived. The large amount of organic matter, rich in ammonia and the highly soluble condition of the phosphoric acid are sufficient reasons for recommending it. I feel sure that the planter will be benefited by its judicious application to cotton and other crops. Respectfully, your obedient servant, (Signed) C. C. SHEPARD, JR., M. D., Inspector of Fertilizers for South Carolina.

CHARLESTON, S. C., December 12, 1871. Messrs. J. A. Enslow & Co., Agents Middleton's Fish Ammoniated Phosphate. GENTLEMEN.—I experimented with the one ton of MIDDLETON'S FISH AMMONIATED PHOSPHATE, which I procured of you, and beg to state that I am glad to find alongside of the Phosphate Manures manufactured in this city and vicinity, and the result was decidedly in favor of your Fertilizer. Our stock has been selected with the greatest care, and prices marked very low in plain figures. Our motto is quick sales and small profits, fair dealings. Goods may be returned if not satisfactory. Buyers in our line will find it to their advantage to give us a call. oct19-3mos
