inquest. -Yesterilay afternoon an East Bay merchant, on returning from dinner, hitched his saddle-horse near the door of his store, and went within doors. A short time later he re turned to where the horse had been bliched. and was surprised to find that it had disap peared. The detectives were informed of the fact, but it was alterwards ascertained that the horse had been taken for an afternoon's ride by a little white boy on good terms with

CITY IMPROVEMENTS.

Work has been commenced on the new brick store on East Bay street, east side, between Market and Guignard, which was spoken of by THE NEWS some weeks ago, as in contemplation of erection for Mr. James Kearney. The walls are already over three feet high. The building will be twenty-five feet front by sixty-two deep, two stories high, and will have double plazzas on the south side. It will have an ordinary brick front, covered with cream colored coment. The second story will be used as a dwelling. The work is being done by Mr. L. D. Turcer, and will be com-

pleted by the first of November next. A handsome iron front, with square doors and windows and fluted Corinthian columns, has been put on the first story of Messrs. Kinsman & Howell's building, at the southeast corner of East Bay and Cumberland streets. The front was cast at the founderles of Messrs. James M. Eason & Bro. The first floor of the building will be occupied in a short time by the wholesale grocery firm of STREET BAZAAR. sh. Estil & Co.

Mr. S. Zicharlas, in King street, near Mary, was visited at an early hour yesterday morning by Robert Scott, a dusky fowl fancier. The unwonted commotion produced among the chickens by this sudden apparition attracted the proprietor, who repaired to the

roost armed with a murderous-looking blunderbuss, and induced the thief to propose terms of capitulation. The surrender was unconditional, and Scott went before the Mayor, who sent him to the House of Correction for thirty days.
