BY PRIVATE MILES O'BEILLY. AIR-Oh! a Rare Old Plant is the Ivy Green Och, a rare ould flag was the flag we bore,
'Twas a bully ould flag, an' nice—
It had sthripes in plenty, an' shtars galore,
'Twas the broth of a purty device;
Faix, we carried it South, an' we carried it

An' around it our bivouses made; An' we swore by the shamrock that never

From its azure field should fade!
Avel this was the oath I tell you thrue,
That was sworn in the sowls of our
boys in blue!

The fight it grows thick, an' our boys they

fali,
An' the shells like a banshee scream;
An' the flag—it is torn by many a ball,
But to yield it we never dhream!
Though pierced by bullets, yet still it bears
All the shtars in its tattered field—

An' again the brigade, like to one man, ewears,
"Not a shtar from the flag we yield!"
"Twas the deep, hot oath, I tell you thrue,
That lay close to the hearts of our boys in blue.

Shure the fight it was won, after many a

year,
But two-thirds of the boys who bore
That flag from their wives and sweethearts
dear,
Returned to their homes no more!

They died by the bullet—disease had power, An' to death they were rudely tossed; But the thought came warm in their dying

hour,
"Not a shtar from the flag is lost!"
Then they said their Pathers and Ares
through, through, An' like Irishmen died—did our boys in

But now they tell us some shtars are gone, Torn out by the rebel gale; That the States we fought for—the States

we won,
Are still out of the Union's pale!
May their sowls in the *Dioul's* hot kitchen

glow, Who sing such a lyin' shtrain! we the dead in their graves, it shall not

be so.
They shall have what they died to gain!
All the shtars in our flag shall still
shine through
The grass growing soft o'er our dead
in blue!

A "ROAD AGENT" OUTWITTED.—A few days ago, an Irishman left Coperpolis for San Andreas, or some other "very fine place," with his carpet sack on his back; and when about five miles on his way was met by a "road agent," who demanded his money. Pat immediately dropped his pack on the ground, sat down on it, and thus addressed the man: "Holy Virgin, yez must be very thick along this road; I've only come five miles and this is the fourth time I've been stopped and axed for my money."
"Is that so?" asked the highwayman. "Be me soul, it's the Gospel truth," replied Pat. "Well, then, you had better proceed on your way; it wouldn't pay to go through you now." Pat shouldered his carpet bag, and they was about to converte when he they were about to separate, when he turned around and said: "Have ye iver sich a thing as a match to light my pipe wid?" He was supplied with one, and the two separated. The Irishman had \$500 in gold coin in his bundle, and by this piece of shrewdness he saved his money.

The best Irish bull we have heard lately, was perpetrated in the country lately. A young man had died of consumption, and one of his neighbors, who was born on the Emerald sod, remarked upon it to a neighbor. "I think the boy inherited the disease from his mother—it was heredion the mother's side, shure. His mother, poor lady, has buried three husbands with consumption, and the last one looked like a walking shadow a long time before he died."

At a tight-rope performance in a Western village, on Monday evening, the performer came out, as usual, dressed in tights, when an old wo-man among the spectators exclaimed, in virtuous indignation style, "Why, why, the man is coming out without any clothes on! It is no place for women here. I do wish he would fall and break his neck. I do."

An Enormous Steer —A steer was recently photographed, at Indianapolis, Ind., which was seventeen hands and three inches high, fifteen feet long, and weighed 4,189 pounds. He was raised in Shelby, Ind. The owner said he was of the common stock, and declared his intention to increase his weight to 5,000 rounds. increase his weight to 5,000 pounds.

What a man should be alphabetically: Affectionate, Bold, Candid, Daring, Enterprising, Faithful, Grateful, Honorable, Indefatigable, Just, Kind, Loving, Moral, Noble, Obliging, Polite, Quick, Religious, Sociable, Truthful, Upright, Valiant, Watchful, Xemplary, Y's and Zealous.

The story that the little boat—the "Red, White and Blue"—which recently crossed the Atlantic, ran aground in the middle of the ocean, is suspected to be without foundation.

"Did the minister put a stamp on you when you were married, Mary?"
"A stamp, Charles! What for, pray?"
"Why, matches ain't legal without a stamp, you know."

A number of ministers of the Ohio Methodist Protestant Conference recently held a meeting at Sabina, Ohio, and resolved to strike for an

increase of salaries. Quibble is exceeding averse to a war with Spain. He says he wouldn't have our Government fall out with theirs for the world—he is so fond of

Spanish mackerel. GOOD APPOINTMENT. - The Tribune says: "We hear that the captain of the slave ship Wanderer has received an appointment in our Custom House, at the request of the President.'

Now that we have a "patent elastic heel," lately invented, it is supposed that we will hear no more of the "light fantastic toe."

The story that Mrs. John C. Breckinridge has lately given birth to twins is only half true. A man was poisoned to death in Norfolk a few days since from han-

dling hides. "Cantico" is the latest Philadelism

for getting on a spree. As long as a miser lives, his money

chest is sure to be heir-tight. Kitchen girls are now termed young ladies of the other parlor.

French Medicines in Vogue!

GRIMAULT & CO., Chemists to H. I. H. Prince Napolron, 49 RUE RICHELIEU, PARIS.

NO MORE COD LIVER OIL.

Grimault's Syrup of Iodized Horse Radish. Radish.

Syrup is employed with the greatest success, in place of Cod Liver Oil, to which it is infinitely superior. It cures diseases of the chest, scrofula, lymphatic disorders, green sickness, muscular atony and loss of appetite. It regenerates the constitution by purifying the blood, being thus invaluable in the treatment of skin diseases, and is administered with the greatest efficacy to young children, subject to humors, or obstruction of the glands.

Dr. Leras' Phosphate of Iron.

This new ferruginous medicine contains the elements of the blood and bones, and iron in a liquid state. It is different from all hitherto offered to the public, is liquid, colorless and tasteless. It speedily cures chlorosis, pains in the stomach, difficult digestion, dysmenorrhema, anomia.

The majority of the Academies of Medicine of Paris recommend the Phosphate of Iron to ladies of delicate constitution suffering from anemia, and all other persons fatigued from over-anxiety, nervous emotions, over-work, general debility and poorness of blood; never causes constipation.

NO MORE CONSUMPTION.

Grimault's Syrup of Hypophosphate of Lime,
For all diseases of the chest. This medicine is invaluable; it is largely used at the Brompton Hospital, in London, for consumption, and generally approved by the leading men in England and France.

BETTER THAN COPAIBA.
Grimault's Vegetable Matico Trijection and Capsules.
Where all other medicines have failed, these preparations will always effect a cure. These insure rapid and extraordinary cure of severe recent and chronic cases of private disease. They are used in the hospitals of Paris by the celebrated Dr. Ricord, and are found greatly superior to all hitherto known minoral remedies and Copaiba and Cubebs. The injection is used in recent, and capsules in the more chronic cases.

Grimault's Brazilian Guarana.

For immediate cure of nervous head-ache, neuralgia; vegotable substance; en-tirely inoffensive, of Brazilian origin.

General Depot—In Paris, at GRIMAULT ET CO., 45 Rue Richelieu; in New York, at FOUGERA & VAN DER KIEFT, 30 North William street, and at every good chemist's. Aug 12

A New and Grand Epoch

A New and Grand Epoch MEDICINE!

DR. MAGGIEL'S PILLS AND SALVE!

THESE wonderful medicines are now so familiar to the people that but little ondorsement of their value as a physic need be made. The Pills of Dr. Maggiel contain no mineral. They do not gripe, and they do not enfeeble the system by extreme purging. They are universal in CREATING A VIGOROUS APPETITE! And correspondingly strengthen the digestion. They tone the liver, clear the head and steady the nerves. To those who are not familiar with the use of DR. Maggiell's PILLS

DR. MAGGIEL'S PILLS
As an anti-billious remedy, the following extracts from various letters will be, it is hoped, of sufficient importance to justify the quoting of them here:

WHAT THE PATIENTS SAY OF
DR. MAGGIEL'S PILLS AND SALVE

WHAT THE PATIENTS SAY OF

DR. MAGGIEL'S PILLS AND SALVE.
"The best Pills for headache I ever had."
"My liver works like an engine, thanks
to your Pills."
"I am pleased to say to you, Dr. Maggiel,
that I would not be without a box of your
Pills for enring me of morning nausea for
the world."
"You will find enclosed \$1. Your Pills
are only 25 cents, but I consider them worth
to me \$1."
"Dean Doctor: My tongue had a fur on

"DEAR DOCTOR: My tongue had a fur on it every morning like the back of a cat. Your Pills took it away."

"I took half a pill and crushed it to powder, and gave it in felly to my little babe for cholera morbus. The dear little pet was well in three hours after."

"I suppose it is hardly worth while to tell you my burned foot has got well from the use of your Salve. Enclosed find 25 cents for another box to keep in the house."

"Send me another box of Salve."

"Enclosed find 75 cents for two boxes of your Maggiel's Pills and one of Salve."

"The most gentle, yet searching, medicine I ever swallowed."

MAGGIEL'S PILLS AND SALVE Are almost universal in their effects, and a cure can be almost always guaranteed.

FOR BILIOUS DISEASES,
Nothing can be more productive of cure
than these Pills. Their almost magic influence is felt at once; and the usual concomitants of this most distressing disease
are removed. These remedies are made
from the purest

VEGETABLE COMPOUNDS.

They will not harm the most delicate female, and can be given with good effect in prescribed doses to the youngest babe.

FOR CUTANEOUS DISORDERS
And all eruptions of the skin, the Salve is
most invaluable. It does not heal externally alone, but penetrates with the most
searching effects to the very root of the evil.
