NEW ORLEANS, August 13.—The following order was issued to-day: HEADQ'RS 3D MIL. DIST.

HEADQ'RS 3D MIL. DIST. GEORGIA, ALABAMA AND FLA., ATLANTA, GA., August 13, 1867. [General Orders No. 49.] I. The Commanding General has become satisfied that the civil officers in this Military District are only ob-serving his order prohibiting them from using any influence to dater the from using any influence to deter the people from reconstructing the State Governments, under the recent Acts of Congress, so far as their own personal conversation is concerned, and are at the same time, by their official patronage, supporting and encouraging new parties, which are, almost without exception, opposing recon-struction and obstructing and embarby the military authority in this Dis-trict in the performance of their du-ties, by declarations and threats of

future penalties for their official acts. II. Such use of the patronage of their offices is simply an evasion, per-haps unintentional, of the provisions of the General Orders above referred to, and is, in fact, an employment of the machinery of the provisional State Governments to defeat the execution of the reconstruction Acts.

III. It is therefore ordered, that all advertisements, or other official pub-lications, heretofore or to be hereafter provided for by State and municipal laws or ordinances, be given, by the proper civil officers whose duty it is to cause such publication to be made, to such newspapers, and such only, as have not opposed and do not op-pose reconstruction under the Acts of Congress, nor attempt to obstruct, in any manner, civil officers appointed by the military authority in this Dis-trict, in the discharge of their duty, by threats of violence, or other penalties, so soon as the military pro-tection is withdrawn, for acts per-formed in their official capacity. IV. All officers in this Military Dis-triat

trict, and all officers of the Freed-men's Bureau, and all Boards of Registration, or other persons in the employment of the United States, under its military juris diction, are directed to give prompt attention to the enforcement of this cider, and to make immediate report to headquar-ters of any civil officer who violates its provisions. By command of Bre-

vet Major-General Pope. WASHINGTON, August 14.—The Pre-sident, through Gen. Grant, has in-structed Gen.
