THE LARGEST CITY.—A very erroneous idea is indulged in by many people in relation to the largest city in the world, many confidently asserting that London, or, as it is frequently termed, the Great Metropolis, is far superior both in size and the number of its inhabitants. But such is not the case. Jeddo, the capital of Japan, is, without exception, the largest and most populous city in the world. It contains 1,500,000 dwellings, and 5,000,000 human souls. Many streets are 22 miles long. The commerce of Jeddo exceeds any city in the world.

The Detroit Free Press suggests as a ticket for the innocents: for President, Joe Hbt; for Vice-President, Sanford Conover.

A young sneak made a very good job of informing on several New York grocers who omitted to stamp boxes of sardines.

Napoleon III has ruled France as long as his uncle did, or will have, by the end of this year. Some think that is long enough.

POVERTY OF BLOOD.

The prevalence of this diseased condition of the blood is noticeable everywhere. See the young man or the young girl with a pale, waxy, blanched appearance of the countenance and integuments generally, as well of the lips, tongue, mouth, a pulse feeble and rapid, loss of appetite, with indigestion and flatulence and irregular action of the bowels, low spirits and severe headache, great debility, with languor, you may set it down the blood wants richness. A thousand complaints flow from this one thing. The QUEEN'S DELIGHT is the great blood purifier and renovator. Get a bottle and use it. It is an invaluable medicine for poverty of blood. It is the cheapest and best medicine you can use, as it cleanses and purifies the very fountain of life. Be sure to ask for Heinitsh's Queen's Delight. For sale by FISHER & HEINITSH, Druggists. DOG DAYS.

The miasma which generates epidemic fevers is now rising in clouds under the blazing beams of the dog-day sun. Every living body, as well as refuse animal and vegetable matter, emits unwholesome vapors, and in crowded cities and the dense assemblages of high business and pleasure call together, the elements of disease are evolved. The pressure upon every vital organ is never so great as in the second and third months of summer, and common sense teaches us that these organs require to be reinforced to meet it. We hold our lives, so to speak, on a re-posing lease, and this is the season when the process of dilapidation is most rapid and repairs are most required. Therefore, build up, prop up and sustain the powers of nature with that mighty vegetable re-constituent, HOSTETTER'S BITTERS. He who takes it may be said to clothe himself in sanitary mail, against which epidemic disease will hurl its poisonous shafts in vain. This is no gratuitous assertion, but a great medical fact, attested by twelve years' experience in every climate of the habitable globe. Extremes of temperature always disturb the functions of the stomach, the bowels, the liver and the skin. It is through these that the most dangerous maladies assail us. Tone them in advance with HOSTETTER'S BITTERS, and defy heat and malaria. August 28 tef

THE TRIUMPH OF ART!

MORE TESTIMONY IN FAVOR OF Heinitsh's Queen's Delight.

EXTRACTS FROM LETTERS: "The Queen's Delight is beginning to awaken the attention of our physicians. Its remarkable curative power is seen in its wonderful effect upon disease. As a blood purifier, there is no medicine like it known to the profession. A gentleman told me that his son has been taking the Queen's Delight, and is more benefited by it than by any other medicine. He wants a dozen bottles."

Extract from a letter: "It is due to you to state in this public manner, in order that the people may know the truth, that I have tried your Queen's Delight, and found it not only what you said it was—a 'pure medicine'—but the best medicine I have ever taken for eruptions and general bad health. I had an eruption all over my body, with impaired digestion and disordered liver, and have tried a great many medicines without any benefit. I have taken one bottle of your Queen's Delight, the eruption has disappeared, my appetite is better, my liver and digestion is improved. I am satisfied one or two more bottles will cure me."

Extract from a letter: "At the close of the war, my constitution was shattered. I could not eat, sleep or perform any duty whatever, such was my prostrate condition. Medicine and medical aid I had in abundance, such was my condition up to a few months since, when I began the use of your Queen's Delight. I have used two bottles, my constitution is greatly improved, my appetite is good, enjoy refreshing sleep, and am able to perform my share of daily labor."

Extract from a letter: "Wonderful effect of only one bottle: 'I have used only a half bottle of Queen's Delight' for boils and eruptions of the skin and itching humors of the blood, which annoyed me very much. I am entirely cured. I think your medicine a valuable one."

A remarkable case of liver complaint and headache cured by the use of Heinitsh's Queen's Delight: "A lady of unquestioned worth and reputation voluntarily gives testimony of the wonderful effects of this medicine. She has been from early years a martyr to headaches, caused by imperfect action of the liver, producing intense headache and pain over the eyes. She has taken only four bottles, and assures us of the perfect cure it has made. She now enjoys good health."

Still another: "During last spring, I had been troubled with obstinate chills and fever, which, when cured, left my system in a wretched condition, blood impure, and I was afflicted with an angry, and as I at one time thought, an incurable, outcous eruption over my entire body. The most violent remedies suggested failed to work a cure, until, at the instance of a friend, I tried Dr. Heinitsh's Queen's Delight. Less than two bottles cured me, leaving my skin in a healthy condition. My general health is as good as ever. For such purposes, I have, ever since my cure, unhesitatingly recommended your Queen's Delight."

Don't buy any but the right kind. All genuine Queen's Delight has the copy-right mark on the outside, and it is the only medicine which produces these wonderful cures. For sale wholesale and retail at FISHER & HEINITSH'S Drug Store. April
