A CANDID RADICAL.—Hon. John Hickman, who was last week nominated in Chester County for the Pennsylvania Legislature, made a speech, in which he gave his opinion of Harrisburg in the following plain terms:

I would rather spend three months in the poor house or prison of Chester County than in Harrisburg. No man can go there and come back with an unsullied reputation, and I am not sure that it is not my enemies rather than my friends that desire to send me there.

SPAIN.—It is believed that the Spanish Cortes will be opened in October. Tranquility, it is said, now prevails throughout the Peninsula. The France states that the most active search has as yet been fruitless for the discovery of Prim, but the belief that he is hidden at Perpignan is so strong in the Eastern Pyrennees that numbers of persons declare that they have seen him—one as a servant of a German family, another as a priest, others as a wagoner, a woman, a French officer, etc.

As the price of Flour decreases, he promises to INCREASE THE NUMBER AND SIZE OF HIS LOAVES.

FRESH LAGER BEER.

AT WHOLESALE AND RETAIL. JOHN C. SEEGER & CO. THE TRIUMPH OF ART! MORE TESTIMONY IN FAVOR OF Heintz's Queen's Delight.

EXTRACTS FROM LETTERS:

"The Queen's Delight is beginning to awaken the attention of our physicians. Its remarkable curative power is seen in its wonderful effect upon disease. As a blood purifier, there is no medicine like it known to the profession. A gentleman told me that his son has been taking the Queen's Delight, and is more benefited by it than by any other medicine. He wants a dozen bottles."

Extract from a letter: "It is due to you to state in this public manner, in order that the people may know the truth, that I have tried your Queen's Delight, and found it not only what you said it was—a 'pure medicine'—but the best medicine I have ever taken for eruptions and general bad health. I had an eruption all over my body, with impaired digestion and disordered liver, and have tried a great many medicines without any benefit. I have taken one bottle of your Queen's Delight, the eruption has disappeared, my appetite is better, my liver and digestion is improved. I am satisfied one or two more bottles will cure me."

Extract from a letter: "At the close of the war, my constitution was shattered. I could not eat, sleep or perform any duty whatever, such was my prostrate condition. Medicine and medical aid I had in abundance, such was my condition up to a few months since, when I began the use of your Queen's Delight. I have used two bottles, my constitution is greatly improved, my appetite is good, enjoy refreshing sleep, and am able to perform my share of daily labor."

Extract from a letter—Wonderful effect of only one bottle: "I have used only a half bottle of 'Queen's Delight' for boils and eruptions of the skin and itching humors of the blood, which annoyed me very much. I am entirely cured. I think your medicine a valuable one."

A remarkable case of liver complaint and headache cured by the use of "Heintz's Queen's Delight." A lady of unquestioned worth and reputation voluntarily gives testimony of the wonderful effects of this medicine. She has been for early years a martyr to headaches, caused by imperfect action of the liver, producing intense headache and pain over the eyes. She has taken only four bottles, and assures us of the perfect cure it has made. She now enjoys good health."

Still another: "During last spring, I had been troubled with obstinate chills and fever, which, when cured, left my system in a wretched condition, blood impure, and I was afflicted with an angry, and, as I at one time thought, an incurable, cutaneous eruption over my entire body. The most violent remedies suggested failed to work a cure, until, at the instance of a friend, I tried Dr. Heintz's Queen's Delight. Less than two bottles cured me, leaving my skin in a healthy condition. My general health is as good as ever. For such purposes, I have, ever since my cure, unhesitatingly recommended your Queen's Delight."

Don't buy any but the right kind. All genuine Queen's Delight has the copy-right mark on the outside, and it is the only medicine which produces these wonderful cures. For sale wholesale and retail at FISHER & HEINTZ'S, Druggists. April
