SOLUBLE MANURES.
 The Sulphuric Acid and Super-Phosphate Company, of Charleston, S. C.,
 HAVING completed their extensive Manufactory, are now prepared to furnish Soluble
 Fertilizers, no other kinds being available to planters for immediate returns for their
 investments.

This Company, under the direction entirely of Southern men of high character, offers in-
 ducements which will recommend it to Southern planters. Their works are among the
 largest and most complete in the United States, and enable them to prepare at home an
 abundant supply of the proper solvent for the South Carolina native Bone Phosphates which
 are near by. From these Phosphates they propose to manufacture a Fertilizer even richer
 in soluble Phosphate than those made from raw bones, and containing more than twice the
 quantity of Super-Phosphate of Lime found in the best average Manures heretofore offered for
 sale, the rates at which we offer them being no higher than the average price of other Fer-
 tilizers, while the Manures contain twice as much fertilizing material; they are in fact much
 cheaper to the consumer. They are offered on the market in two forms, with a guarantee
 that the material in each will correspond to the advertisement.

ETIWAN, No. 1.—Soluble Phosphate, containing from sixteen to twenty-five per cent. of
 Pure Soluble Phosphate of Lime, and furnished at sixty dollars per ton.

ETIWAN, No. 2.—Peruvian Super-Phosphate, containing from sixteen to twenty per cent. of
 Soluble Phosphate, and two to four per cent. of Ammonia, at seventy dollars per ton; for ap-
 proved acceptances, bearing interest, or such other security as may be acceptable to the sub-
 agents. Orders to be forwarded immediately to the Agents, and delivery made as directed on
 and after 1st January next.

C. G. McMAHON, President.

MY FIRST DIVORCE CASE.
 I was not over-supplied with clients
 during my first year's practice as coun-
 sellor at law, and not being one of those
 fortunate individuals, those *lusi nature*,
 who are said to make their first appear-
 ance with a silver spoon in their mouths,
 was not a little pleased when, one idle
 day, my wealthy friend Stillingfleet called
 at my office, and announced that he
 needed my immediate professional ser-
 vices. However, evincing no sign of my
 awkward satisfaction, I bid him be seated,
 assumed a professional air, and said:
 "What can I do for you?"
 "Hawthorne," he answered, while I
 noted his troubled, even wild look, "I
 wish you to obtain my divorce from Mrs.
 Stillingfleet, without one moment's un-
 necessary delay."
