

THE DAILY PHOENIX.

"Let our just Censures"

Attend the True Event."

BY J. A. SELBY. COLUMBIA, S. C., THURSDAY MORNING, FEBRUARY 22, 1872. VOL. VII—NO. 287.

On a recent evening, a Brooklynite was walking along Atlantic avenue, when he was jostled and passed by a stranger. Soon afterward, discovering that his watch was gone, he hurried after the stranger, presented a revolver at his head, and grimly said, "Give me that watch." The stranger "forked over" at once. On reaching home, the gentleman began telling the story of his adventure to his wife, when she interrupted him by saying, "Why, John, you left your watch on the bureau this morning, and I have been wearing it all day."

CONSERVATISM IN THE WEST.—The recent meeting of Republicans and passive Democrats in Chicago was of vastly more significance than at first represented. The most thoughtful men of both parties met and calmly discussed the situation. No definite measures were fixed upon to control the future action of the parties, but it is stated that there is no doubt of the two great parties working in harmony, should the cause arise.

DEATH IN THE COAL MINES.—The statistics furnished by the Pennsylvania mine inspectors in the anthracite region are almost complete for the year 1871. The death record in these statistics is startling, and shows a total of 272 men killed outright and 622 injured by accidents during the year. These unfortunate men left, on a close estimate, 220 widows, and between 500 and 600 orphan children.

A ruralist at Newport, seeing a lady driving, and her groom with folded arms behind, thought "that nigger must pay that nice looking girl a pile to drive his carriage for him."

An eminent English physician tells his consumptive patients to keep out of doors and eat plenty of bread and meat. "No monkey capers in a gymnasium can cure you."

A doctor, having asked his patient "how his vaccination took," the patient replied, "My arm is very sore." "Then," said the doctor, "you are to be pitted, but not to be pitted."

A young lady requested to be released from her marriage engagement, on the ground that when she contracted she believed her lover a "duck," but has since found him to be a "goose."

The wife of a California clergyman, during a lengthened absence of her lord, supplied his pulpit and attended to all her household cares besides.

It has been estimated that during the late war between France and Germany, 250 cartridges were fired to each man struck.

President Grant's daughter, Nellie, is "coming out" next year. So is her father. —Chicago Times.

Acts and Joint Resolutions Passed by the General Assembly of South Carolina, Regular Session, 1871 and 1872.

AN ACT TO INCORPORATE THE CAROLINA OIL COMPANY.

SECTION 1. Be it enacted by the Senate and House of Representatives of the State of South Carolina, now met and sitting in General Assembly, and by the authority of the same, That Wm. McQueen, Edward Hope, Robert C. Shiver, S. L. Leapheart, John Agnew, and their associates and successors, are hereby made and created a body politic and corporate, in law, under the name and style of the Carolina Oil Company, for the purpose of extracting and manufacturing oil from cotton seed and other seeds, or grain, and for the purpose of carrying on such other business as may be connected therewith, with such capital as may be subscribed, not exceeding fifty thousand dollars, said capital to be divided into shares of one hundred dollars each.

SEC. 2. The said company shall have power, from time to time, by a stock vote of not less than two-thirds of the amount of capital paid in, to increase their capital stock to any amount not exceeding one hundred thousand dollars, including their present capital stock. Books may be re-opened for the purpose of obtaining additional subscribers to such increased stock, in such manner as the company may deem expedient; and whenever any increase of capital shall be made beyond fifty thousand dollars, as aforesaid, the President of the company shall make affidavit of the fact, and file the same in the office of the Secretary of State, and make public notice thereof once a week for three weeks consecutively in a newspaper in the city of Columbia, which shall be legal notice to all persons dealing with said corporation.

SEC. 3. The said company shall have succession of officers and members, to be chosen according to the rules and by-laws made and to be made for their government and direction; and shall have power and authority to make by-laws not repugnant to the laws of the land, to make, have and use a common seal, and the same to alter at will, to sue and be sued, plead and be-impleaded in any court of this State, to purchase and hold any land, tenements or hereditaments, goods or chattels, which may be necessary, connected with, or conducive to, the purposes for which said company is established, and to sell or mortgage the same.

SEC. 4. That if any certificate or public notice given by the officers of said company, in pursuance of the provisions of this Act, is false in any material representation, all the officers who signed the same, knowing it to be false, shall be jointly and severally liable for all debts of the company contracted while they were stockholders or officers thereof.

SEC. 5. The said corporation shall not go into operation until twenty thousand dollars of the capital stock shall be paid in gold or silver, or United States Treasury notes, or notes of national banks. The personal liability of the stockholders for the debts or liabilities of said corporation shall be limited to the amount of stock subscribed by them.

SEC. 6. This Act shall be deemed a public Act, and shall continue in force for twenty-one years.

Approved February 15, 1872.

AN ACT TO PROVIDE THE MANNER FOR OBTAINING THE RIGHT OF WAY WHERE LANDS ARE SURROUNDED BY OTHER LANDS.

SECTION 1. Be it enacted by the Senate and House of Representatives of the State of South Carolina, now met and sitting in General Assembly, and by the authority of the same, That where any person or persons owning lands surrounded by lands of other person or persons, through which there is no right of way or highway, are authorized, as hereinafter provided, to construct a highway or road through such lands to the nearest highway then existing.

SEC. 2. If the owner or owners of such surrounding lands shall signify his or their refusal to the opening of a highway through such lands without previous compensation, the person or persons requiring such right of way shall give ten days' notice, in writing, to the person or persons, through whose lands such right of way is required, of his intention to establish such right of way, naming in such notice a person who will act as referee for him in the location thereof, and said owner or owners shall, within ten days thereafter, appoint a referee for the same purpose.

SEC. 3. That the referees so appointed shall, within ten days thereafter, meet at some convenient place and appoint a third referee, and the three referees so appointed shall constitute a board of referees, for the location of such highway, and to determine the compensation and damages for the same, from whose decision in no case shall there be an appeal.

SEC. 4. That within ten days after the appointment of a third referee in compliance with the third section of this Act, the said referees shall meet and proceed faithfully and impartially to determine the question of location, compensation and damages submitted to them, for which purpose they shall inspect the premises in reference to the construction of the proposed highway, and the quantity of land which shall be required therefor, with respect alone to the quantity and value, and location of the land

which may be required, and to the special damage the owner may sustain by reason of the construction of the highway, through his lands, and the amount of compensation which shall be made to the owner thereof, and shall render their verdict in writing for the same.

SEC. 5. That upon the payment of the compensation thus ascertained, the right of way over said lands shall be established, and shall be opened, and forever remain a public highway.

SEC. 6. That if the owner or owners of such lands over which such right of way is required shall not, in compliance with second section of this Act, appoint a referee within the time required, the referee appointed by the person requiring such right of way shall proceed the same as if all three referees had been appointed, and his action, therein, in compliance with Section 4 of this Act, shall have the same force and effect as if the full board of referees had acted.

SEC. 7. All Acts or parts of Acts, inconsistent with this Act, are hereby repealed.

Approved February 15, 1872.

AN ACT TO REPEAL AN ACT ENTITLED "AN ACT FOR THE APPOINTMENT OF A LAND COMMISSIONER, AND TO DEFINE HIS POWERS AND DUTIES."

SECTION 1. Be it enacted by the Senate and House of Representatives of the State of South Carolina, now met and sitting in General Assembly, and by the authority of the same, That an Act entitled "An Act to provide for the appointment of a Land Commissioner," approved March 27, 1869, be, and the same is hereby, repealed.

SEC. 2. That all books and papers pertaining to the office of Land Commissioner be turned over to the Secretary of State, on and after the passage of this Act, and the Secretary of State shall execute the duties heretofore devolving upon the Land Commissioner.

Approved February 15, 1872.
