A book-binder said to his wife at the wedding: "It seems that now we are bound together, two volumes in one, with clasps." "Yes," observed one of the guests, "one side highly ornamented Turkey morocco, and the other plain calf," and the next moment was taking rapid strides down stairs.

The New York Sun's correspondent John is a very sharp fellow. In one of his letters he says: "I bet a fellow a dollar that I could tell him how much water to a quart went under the railroad bridge over the Mississippi at Dubuque in a year. He bet, and I said two pints to a quart. I won the bet."

### AYER'S Sarsaparilla

IS widely known as one of the most effectual remedies ever discovered for cleansing the system and purifying the blood. It has stood the test of years, with a constantly growing reputation, based on its intrinsic virtues, and sustained by its remarkable cures. So mild as to be safe and beneficial to children, and yet so searching as to effectually purge out the great corruptions of the blood, such as the scrofulous and syphilitic contamination. Impurities, or diseases that have lurked in the system for years, soon yield to this powerful antidote, and disappear. Hence its wonderful cures, many of which are publicly known, of Scrofula, and all scrofulous diseases, Ulcers, Eruptions, and eruptive disorders of the skin, Tumors, Blisters, Boils, Pimples, Pustules, Sores, St. Anthony's Fire, Rose or Erysipelas, Tetter, Salt Rheum, Scald Head, Kingworm, and internal Ulcerations of the Uterus, Stomach, and Liver. It also cures other complaints, to which it would not seem especially adapted, such as Dropsy, Dyspepsia, Bile, Nephritis, Heart Disease, Female Weakness, Debility, and Leucorrhoea, when they are manifestations of the scrofulous poisons.

It is an excellent restorer of health and strength in the spring. By renewing the appetite and vigor of the digestive organs, it dissipates the depression and listless languor of the season. Even when no disorder appears, people feel better, and live longer, for cleansing the blood. The system moves on with renewed vigor and a new lease of life.

### HAIR VEGETABLE SICHIAN HAIR RENEWER.

Every year increases the popularity of this valuable Hair Preparation; which is due to merit alone. We can assure our old patrons that it is kept fully up to its high standard; and it is the only reliable and perfect preparation for restoring GRAY or FADED HAIR to its youthful color, making it soft, lustrous and silken. The scalp, by its use, becomes white and clean. It removes all eruptions and dandruff, and, by its tonic properties, prevents the hair from falling out, as it stimulates and nourishes the hair-glands. By its use, the hair grows thicker and stronger. In baldness, it restores the capillary glands to their normal vigor, and will create a new growth, except in extreme old age. It is the most economical HAIR DRESSING ever used, as it requires fewer applications, and gives the hair a splendid glossy appearance. A. A. Hayes, M. D., State Assayer of Massachusetts, says: "The constituents are pure, and carefully selected for excellent quality; and consider it the BEST PREPARATION for its intended purpose."

Sold by all Druggists and Dealers in Medicines.  
Price One Dollar.

### Buckingham's Dye, FOR THE WHISKERS.

It is easily applied, and produces a color which will neither rub nor wash off. Sold by all Druggists. Price fifty cents.
