Magdalene.
They cured me with cruel curses,
They named me a nameless name,
They hid in the hateful city
My burden of sin and shame;
But I found in my grief a kindness,
Through the blessing of my wild unrest,
How I turned with a fierce fond yearning
To the babe upon my breast!
And off as I tossed in torture
On my bed of crime and care,
Like a smile from the far-off Heaven,
Lay my blessed baby there;
Till I thought as I lay and watched her,
When I smiled and she answered me
With her pouting lips like rosy buds,
What her future fate might be.
Ah, God! how I loved my darling!
How I kissed her tiny feet,
Till her golden curls grew lighter,
The sin and the shame grew sweet;
But with storms of burning kisses
And a rain of blinding tears,
I shielded my own heart's treasure
From the shame and the scorn of years.
How I eat in my childless sorrow
And wept in my empty room,
With a curl and a tear-stained ribbon
That told of my banished bloom!
How I blessed, how I cursed him yonder,
With my jealous heart at strife;
For I knew that the rich man loved her,
The light of his lonely life.
There's a palace of peerless splendor
In great broad street hard by,
And at night when the darkness deepens
Linger, I linger nigh;
While I look through the lighted windows,
With my torn heart throbbing slow,
Just to see her, my sweet, my darling,
And to bless her—sobbing low.
Last night when he'd guests up yonder,
And she stood 'neath the chandelier
In a blaze of queenly beauty,
While I lurked in the gas-light here;
How I longed with a mighty longing,
To stand with my sister apart,
And to strain her, with eager kisses,
Close, close to my bursting heart!
Would God that this love that tortures
Could wash me and make me clean,
From the soil and the stain of sinning,
Like the love of the Magdalene!
But, perchance, in the happy Heaven,
When she sings by the Jasper sea,
She may hear how this fond heart loved her,
And her prayers may plead for me.

THE ORIGINAL
HOWE SEWING MACHINE.
THE best now in use. Challenges the world in perfection of work, strength and beauty of stitch, durability of construction, ease of operation, and great range of work; makes the same stitch on each side, and is as noiseless as any other shuttle machine.
It contains no material for its own repair. It has less wearing points than any other. It gives off thread in proportion to the thickness of fabric sewed, thereby avoiding slow motion over seams.
The presser foot is easily swung out of the way, making it convenient to set needles and adjust work.
All those who have used the "HOWE" will have no other. Give it a trial.

BUY THE GENUINE
AYER'S Sarsaparilla
Is widely known as one of the most effectual remedies ever discovered for cleansing the system and purifying the blood. It has stood the test of years, with a constantly growing reputation, based on its intrinsic virtues, and sustained by its remarkable cures. So reliable is its action, and so beneficial to children, and yet so searching, as to effectually purge out the great corruptions of the blood, such as the scrofulous and syphilitic contamination. Impurities, or diseases that have lurked in the system for years, soon yield to this powerful antidote, and disappear. Hence its wonderful cures, many of which are publicly known, of Scrofula, and all scrofulous diseases, Ulcers, Eruptions, and eruptive disorders of the skin, Tumors, Blisters, Boils, Pimples, Psoriasis, Sores, St. Anthony's Fire, Rose or Erysipelas, Tetter, Salt Rheum, Scald Head, Ringworm, and internal Obstructions of the Uterus, Stomach, and Liver. It also cures other complaints, to which it would not seem especially adapted, such as Dropsy, Dyspepsia, Fits, Neuralgia, Heart Disease, Female Weakness, Debility, and Leucorrhoea, when they are manifestations of the scrofulous poison.
It is an excellent restorative of health and strength in the spring. By renewing the appetite and vigor of the digestive organs, it dissipates the depression and listless languor of the season. Even where no disorder appears, people feel better, and live longer, for cleansing the blood. The system moves on with renewed vigor and a new lease of life.

HALL'S
VEGETABLE SICILIAN
HAIR
RENEWER.
Every year increases the popularity of this valuable Hair Preparation; which is due to merit alone. We can assure our old patrons that it is kept fully up to its high standard; and it is the only reliable and perfected preparation for restoring the color and beauty of the youthful color, making it soft, lustrous and silky. The scalp, by its use, becomes white and clean. It removes all eruptions and dandruff, and, by its tonic properties, prevents the hair from falling out, as it stimulates and nourishes the hair-glands. By its use the hair grows thicker and stronger. In business, it restores the capillary glands to their normal vigor, and will create a new growth, except in extreme old age. It is the most economical HAIR DRESSING ever used, as it requires fewer applications, and gives the hair a splendid glossy appearance. A. A. Hayes, M. D., State Assayer of Massachusetts, says: "The constituents are pure, and carefully selected for excellent quality; and I consider it the Best Preparation for its intended purposes."
Sold by all Druggists and Dealers in Medicines.
Price One Dollar.
Buckingham's Dye,
FOR THE WHISKERS.
