THE GRAND GIFT CONCERT.
GIFT MONEY ALL UP!
\$500,000
In Bank to Pay Prizes.
A FULL DRAWING IN SIGHT.

THE GRAND GIFT CONCERT, for the benefit of the Public Library of Kentucky, is postponed to SATURDAY, the 7th of December, for the following reasons:
1. The failure of certain agents to make returns in time for the drawing to take place September 28.
2. The accumulation of orders during the last few days to such an extent that it was not possible to fill them and have the drawing on the 28th.
3. The general expressed desire of ticket-holders that a full drawing might be had, even if it made a short postponement necessary.
4. The belief of the management that by a short postponement the remnant of unsold tickets can be disposed of, and all the prizes paid in full, without the necessity of any pro rata scaling down.

For these reasons, coupled with the earnest desire to benefit the Public Library by a larger balance, and the ticket-holders by a larger gift, the concert and distribution have been postponed to Saturday, the 7th of December, 1872. On that day and no other the drawing will positively and unequivocally come off in the great hall of the Public Library building, beginning at precisely 6 o'clock A. M., and continuing until the whole 1,000 gifts are awarded. The payment of the gifts will begin the third day after the drawing, and continue for six months, in current funds, by the Farmers' and Drovers' Bank, or by sight draft upon the Fourth National Bank, New York, at the option of the gift ticket-holders.

The money necessary to pay in full all the offered gifts is now upon deposit in the Farmers' and Drovers' Bank, as will be seen by the following certificate of the Cashier of that bank:
FARMERS' AND DROVERS' BANK,
LOUISVILLE, Ky., Sept. 28, 1872.
This is to certify that there is now on deposit in this bank over half a million of dollars to the credit of the Gift Concert fund, \$500,000 of which is held by this bank, as Treasurer of the Public Library of Kentucky, to pay off all gifts to be awarded at the drawing.
R. S. VEACH, Cashier.

Hon. JOHN BARREK, Manager of the Royal Insurance Company, Liverpool, and Colonel JILSON P. JOHNSON, Proprietor of the Galt House, will act as a committee on the part of the Trustees to take charge of the tags before the drawing, count them, place them in the wheel, and permit to be put in corresponding numbers for all the tickets sold into the wheel. After the drawing is over, the wheel, with its contents, will be placed in the hands of a committee on the part of the ticket-holders, to satisfy themselves whether all tickets sold were represented in drawing.
Blind children, in view of the audience, will alternately draw the tags from one of the glass wheels and the gifts belonging to them from the other, and the official record of the drawing thus conducted will be kept by three tellers chosen from different banks in the city.
The drawing will be published in the Louisville papers and in the New York Herald, and official copies mailed to all parties sent of Lotteries to whom tickets have been sent by letter.
The remnant of tickets yet unsold will be furnished to those who first apply for them, and as general a distribution of them will be made among agents as their limited number will permit. No agent will be permitted, on any account whatever, to buy or sell a ticket for the management after November 25, 1872.
This postponement has been made by advice of the Trustees, with the sole object of the real benefit of both the ticket-holder and the Public Library, and all concerned may rest perfectly assured that the positive and final programme here announced will be carried out to the letter.

To the Ladies.
ONE of the worst forms of discoloration of the face, is caused by the use of CALOMEL and BLUE MASS. Mercurial medicines are supposed to have a special action on the liver; the theory is erroneous, if calomel is given in repeated doses it produces salivation, and in this condition the liver is badly damaged. The liver is more torpid; the skin must do some of the liver's work, in excreting bile elements, and will be liable to pimples, blotches, eruptions, dark spots, discolorations, tubercles, sore mouth, sore throat, catarrhal affections, &c. The only serviceable liver medicine is HEINITSH'S LIVER PILLS. No calomel. They regulate the liver and purify the blood.
