This little repartee cost a Frenchman at Mulhouse, eighteen hours in a Prussian guard house a few days since. He was brought up before the civil tribunal as a witness in some case, and was asked, as a primary question, what language he spoke. "I speak English to my wife, French to my clients, and German to my dogs," was the fiery answer. Whereupon the judge roared, "away with him."

HALPS
VEGETABLE SICILIAN
HAIR
RENEWER.

Every year increases the popularity of this valuable Hair Preparation; which is due to merit alone. We can assure our old patrons that it is kept fully up to its high standard; and it is the only reliable and perfect preparation for restoring Gray or Faded Hair to its youthful color, making it soft, lustrous and silken. The scalp, by its use, becomes white and clean. It removes all crusts and dandruff, and by its tonic properties, prevents the hair from falling out, as it stimulates and nourishes the hair-follicles. By its use, the hair grows thicker and stronger. In baldness, it restores the capillary glands to their normal vigor, and will create a new growth, except in extreme old age. It is the most economical HAIR DRESSING ever used, as it requires fewer applications, and gives the hair a splendid glossy appearance. A. A. Hayes, M. D., State Assayer of Massachusetts, says: "The compound is of pure and carefully selected for excellent quality; and I consider it the BEST PREPARATION for its intended purpose."
Sold by all Druggists and Dealers in Medicines. Price One Dollar.

Buckingham's Dye,
FOR THE WHISKERS.
As our Renewer in many cases requires too long a time, and too much care, to restore gray or faded Whiskers, we have prepared this dye, in one preparation, which will quickly and effectually accomplish the result. It is easily applied, and produces a color which will neither rub nor wash off. Sold by all Druggists. Price fifty cents.

AYER'S Sarsaparilla
Is widely known as one of the most effectual remedies ever discovered for cleansing the system and purifying the blood. It has stood the test of years, with a constantly growing reputation, and is especially valuable in all diseases that have lurked in the system for years, soon yield to this powerful antidote, and disappear. Hence its wonderful cures, many of which are publicly known, of Scrofula, and all scrofulous diseases, Ulcers, Eruptions, and eruptive disorders of the skin, Tumors, Blisters, Boils, Pimples, Pustules, Sores, St. Anthony's Fire, Rose or Erysipelas, Tetter, Salt Rheum, Scald Head, Ringworm, and internal Ulcerations of the Uterus, Stomach, and Liver. It also cures other complaints, to which it would not seem especially adapted, such as Dropsy, Dyspepsia, Fits, Acne, Rheumatism, Gout, Gravel, Female Weakness, Debility, and Leucorrhoea, when they are manifestations of the scrofulous poisons.
It is an excellent restorer of health and strength in the spring. By renewing the appetite and vigor of the digestive organs, it dissipates the depression and listless languor of the season. Even where no disorder appears, people feel better, and live longer, for cleansing the blood. The system moves on with renewed vigor and a new lease of life.
