SOLD BY ALL DRUGGISTS EVERYWHERE. May 21 Titm14

Every year increases the popularity of this valuable Hair Preparation; which is due to morit alone. We can assure our old patrons that it is kept fully up to its high standard; and it is the only reliable and perfected pro-paration for restoring GRAY on FADED HAIN to its youthful color, making it soft, lustrons and silken. The scalp, by its use, becomes white and clean. It removes all eruptions and dandruff, and, by its tonic properties, prevents the hair from falling out, as it stimu-tates and nourishes the hair-glands. By its use, the hair grows thicker and stronger. In baldness, it restores the capillary glands to their normal vigor, and will create a new growth, except in extreme old age. It is the most economical HAIN DRESSING ever used, as it requires fewer applications, and gives the hair a splendid glosy appearance. A. A. Hayes, M. D., State Assayer of Massachu-seits, says: "The constituents aro pure, and carefully selected for encellent quality; and I consider it the BEST PREFARATION for its in-tended purposes." tended purposes."

Sold by all Druggists and Dealers in Medicines. Price One Dollar.

# Buckingham's Dye, FOR THE WHISKERS.

It is easily applied, and prodaces a color which will neither rub nor wash off. Sold by all Druggists. Price fifty cents. Manufactured by R. P. HALL & CO.,
