

**Is your head dull, dependent, drowsy, debilitated, have frequent headaches, mouth tastes badly, poor appetite and tongue coated, you are suffering from torpid liver, or "Biliousness." Nothing will cure you so speedily and permanently as Dr. Pierce's Golden Medical Discovery.**

**"Can't Do Without It."**—This is what the stage and horse-car companies, livery-stable keepers, members of the turf, and all grooms and trainers say of the **MUSTANG LINIMENT.** They "can't do without it." And why? Because it infallibly reduces the external swellings, &c., which, under various names, impair the usefulness and value of the king of quadrupeds, and also because, for sprains, strains, galls and other injuries to which horse flesh is liable, it is the most trustworthy preparation in the market. Yet these recommendations comprise only a portion of its claims to public confidence. During a period of more than sixteen years, it has been recognized as a specific for many of the most agonizing disorders which afflict the human family—such as rheumatism, gout, neuralgia, lumbago, neuralgia, sore throat, earache, tooth-ache; and, likewise, as a peerless application for cuts, bruises, burns and scalds.

The New York Sun tells us that Archibald Campbell, formerly superintendent of the Society for the Prevention of Cruelty to Animals, has been arrested for threatening to shoot an aged mother. Is the Sun quite sure that Mr. Campbell has not been wrongfully accused—that the threat was not intended merely for his aged mother-in-law?

Mr. Train, late of Newton, Mass., is a funny fellow. He fell in love with his maid servant, in direct opposition to the commands of the Bible, and prevailed upon her to elope. Just as they got everything in readiness, his wife put in an appearance, but, nowise dismayed, he looked her up, and with the seductive maid he departed for places unknown.

A Clinton (N. C.) student found himself largely in debt at the end of the term, so he packed his clothes in a barrel and sent them as far as Utica by a canal boat. He then filled his trunk with hay, and his creditors levied an execution upon it at the depot. The student looked on with grim satisfaction.

An old lady in Boston, who since the great fire has several times been thrown into a state of nervous excitement by false alarms, thinks that the double system of signals ought to be invented—one for false alarms and the other for real ones.

The Boston Herald asks what sort of a Christian is he who makes early prayers and neglects to sprinkle ashes on his icy sidewalk? Verily, he is no nearer the kingdom than he who scatters orange peel about in the summer.

A North Carolinian, aged within four years of a century, is under indictment for killing his wife, a few years his junior, and the extenuating plea offered is that he was rendered insanely jealous by her flirting with other young fellows.

A woman in male attire was arrested in Knoxville, Tenn., a few nights since. She gave as an excuse that she could more successfully find her missing husband *incog.*, especially as she believed him to be pretty well soaked in cogniac.

Some men never lose their presence of mind. In Chicago, last week, a man threw his mother-in-law out of the window in the fifth story of a burning building, and then carried a feather bed down in his arms.

## Special Notices.

**UNPRECEDENTED SUCCESS.**—Within the past year, 200,000 boxes of Dr. Tait's Vegetable Liver Pills have been sold, and not a single instance is known where they have failed to give satisfaction. If you would enjoy life, have a fine appetite and robust health, use these Pills.

Augusta, November, 1869.  
Dr. W. H. Turr: It affords me much pleasure to testify to the great value of your Liver Pills. They are all they are represented to be. In my opinion, there are no pills so well adapted in the Southern climate as they are. Yours truly,

**COUPON BONDS,**  
Secured by a Mortgage on the entire Property of the Road. Interest Payable Semi-Annually, on the 1st of January and 1st of July.

The Central National Bank,  
OF COLUMBIA.

**OFFERS** for sale a limited amount of above-mentioned BONDS, at the following rates: **FIRST MORTGAGE BONDS,** (only \$10,000 per mile) at 82 cents and accrued interest; **SECOND MORTGAGE,** (only \$5,000 per mile,) at 75 cents and accrued interest, and reconveyed them to Trustees and others having money to invest, as being the most desirable security on the market, for the following reasons, to wit:

**FIRST.**—THEY CANNOT BE TAXED BY THE STATE, COUNTY OR CITY. The United States Supreme Court, in the case of the Northern Central Railroad vs. Jackson, (see 7 Wallace, Supreme Court U. S. page 267,) decided that, when a Railroad mortgage is a joint one, on property lying in two or more States, the bonds secured thereby are not liable to be taxed by either of the States; and the same principle relieves them from taxation by County, City, or Town. The Charlotte, Columbia and Augusta bonds are secured by a joint mortgage on property lying in North Carolina, South Carolina and Georgia.

**SECOND.**—Because they are absolutely safe, being secured by a first mortgage of only \$10,000, and a second mortgage of only \$5,000 per mile on the entire road from Charlotte to Augusta, and on all the workshops, bridges, franchises and equipments of said road.

**THIRD.**—Because the sale of the first mortgage bonds will extinguish the floating debt of the road, and the proceeds of the second mortgage bonds will be exclusively applied to improving the road and adding to its equipments; thus enhancing the value of the property mortgaged.

**FOURTH.**—Because the bonds are coupon bonds, and the interest payable in New York, Charlotte, Columbia and Augusta, at the option of the holder. Thus they can be collected through any bank without expense.

**FIFTH.**—The business of the road is rapidly increasing, and the property and franchise daily becoming more valuable—the net earnings for the last five months being over fifty per cent. more than for the corresponding months of the preceding year.

**SIXTH.**—These Bonds are practically redeemable in gold, for specie payment will certainly be resumed before their maturity. Investors will, therefore, buy with greenbacks worth 87 1/2 cents, and receive their pay at par plus adding a profit of over THIRTY CENTS on the dollar on the First Mortgage Bonds, and over THIRTY-SEVEN CENTS on the Second Mortgage Bonds, and in the meantime receiving a high rate of interest.

**SEVENTH.**—As these Bonds have a fixed value in New York, Charlotte, Columbia and Augusta, they are considered good collateral for temporary purposes.

**FOR SALE**  
AT THE  
**CAROLINA NATIONAL BANK**  
SEVEN PER CENT.  
**COUPON BONDS**  
OF THE  
**CITY OF COLUMBIA,**

Secured by a Sinking Fund. Coupons secured by an Annual Tax and Receivable for City Taxes. Bonds non-taxable by the City. Bond Debt of the City Limited by Law to \$500,000. Taxable Property of the City \$7,000,000.

THE BONDS offered are authorized by an Act of Assembly approved March 13, 1872, for the construction of the new City Hall. Their final redemption is, by the terms of said Act, secured by a "sinking fund," to be accumulated from the annual rents of the building. These rents will reach from \$8,000 to \$10,000 per annum; and the Carolina National Bank holds a lien on the building for a term of twenty years, as trustee, with power to collect the rents and hold the same invested as a fund for the redemption of the bonds.

By said Act a special annual tax is required to be levied to pay the semi-annual coupons, and the Carolina National Bank is made the trustee of the city to receive the taxes when collected and to pay the coupons. The coupons are also receivable for city taxes.

The taxable property of the city is at present assessed at \$7,000,000; and by said Act the bond debt of the city cannot be increased beyond \$500,000 whilst these bonds are outstanding. The bonds are exempt by law from city taxation.

These bonds are offered to the public at eighty net, with interest from date of purchase to January 1, 1873, allowed in settlement. After that date, the accrued interest to be added.

Citizens of Columbia these bonds will give an income of 12 1/2 per cent. as may be seen from the following statement:  
Seven per cent. bonds, at 75,  
annual interest..... 9 1/2 per cent.  
Nineteen years to run, average  
increase per annum..... 1 1/2 per cent.  
City tax saved..... 2 per cent.
