"WHO BELONGS TO IT?"—An awkward question has arisen in Kansas: What shall be done with the money that Senator York says he received from Senator Pomeroy? \$7,000 is a sum too large to take care of itself. A STITCH IN TIME SAVES NINE.—If you have a Cough, do not neglect it; thousands go to an untimely grave by neglecting what they call "a slight cold." These slight colds are very insidious. They soon become deep-seated, and defy all remedies. DR. TUTT'S EXPECTORANT will cure it. It can be had of any druggist. TUSKEGEE, ALA., April 28, 1871. Dr. TUTT: In gratitude for the benefit received by the use of your Expectorant, I do cheerfully add my testimony to its most wonderful effects in relieving Asthma or Bronchitis. For several years, I had suffered dreadfully with a severe attack of Asthma or difficulty of breathing. I was induced by the high recommendations given to your Expectorant to try it, and found that it gave almost immediate relief. It is about five months since I began its use; I have used six bottles, and have not had an attack since. It affords to be without it, and I heartily recommend it to all persons who are at all troubled with Lung or Throat Diseases. Very respectfully, Mrs. A. M. WELLSBORN.
