Sarsaparilla

IS widely known as one of the most ef-fectual remedies ever discovered for cleans-ing the system and

mild as to be safe and beneficial to children, and yet so searching, as to effectually purge out the great corruptions of the blood, such as the scrofulous and syphilitic contamination. Impurities, or discasses that have lurked in the system for years, soon yield to this powerful antidote, and disappear. Hence its wonderful cures, many of which are publicly known, of Scrofules, and all scrofulous diseases, Uicers, Ereptions, and eruptive disorders of the skin, Tumors, Hiotches, Hoils, Pimples, Pustules, Sores, St. Anthony's Fire, Rose or Erystpelas, Tetter, Sait Rheum, Scald Head, Ringworm, and internal Ulceraor Exystpelas, Tetter, Sait Rheum, Scald Head, Ringworm, and internal Ulcerations of the Uterus, Stomach, and Liver. It also cures other complaints, to which it would not seem especially adapted, such as Dropsy. Dyspepsia, Fits, Neuralgia, Heart Disease, Female Weakness, Debitty, and Leucorrhoea, when they are manifestations of the scrofulous poisons.

It is an excellent restorer of health and strength in the spring. By renewing the appetite and vigor of the digestive organs, it dissipates the depression and listless languor of the season. Even where no disorder appears, people feel better, and live longer, for oleansing the blood. The system moves on with renewed vigor and a new lease of life.
