protects from or prevents this

pels the minamilie polson of Fries and Aux from the system, and prevents the de-velopment of the disease, if taken on the first approach of its premonitory symptome. It is not only the best remedy ever yet disco-vered for this class of complaints, but also the cheapest. The large quantity we supply for, a dollar brings it within the reach of everybody; and in billous districts, where Fryen and Aux prevails, everybody should have it, and use it freely, both for cure and protoction. It is hoped this price will place it within the reach of all—the poor as well as the rich. A great superiority of this remedy over any other ever discovered for the speedy and certain cure of Intermittents is, that it
