Whiskey firm and Tennessee, 92.

Cotton fields in North Carolina generally make a fine show of vigorous and quiet and weak-superfine winter 4 25 fruitful plants; the exceptions resulting (@4.75. Corn with an advancing ten-more from the falling of forms and bolls, dency and very firm-No. 2 mixed 45@ in consequence of too abundant rain-fall, than from the presence of worms. In South Carolina, similar damages from excessive moisture occurred, and the extensive moisture occurred, and the

Counties. The crop appears better in net receipts 573; gross 671; sales 300; Georgia than in any other cotton State East of the Mississippi, though there is some injury from rust and heavy rains, many Counties, but generally came too late to cause more than a small per

centage of the loss. The injury from worms and the season vicissitudes in Florida are somewhat greater, amount ing to fifteen per cent. of depreciation in the condition of the crop.

The caterpillar appeared in portions of Alabama towards the last of July, but its ravages have not been serious until recently, in certain Connties; hav-ing been held in check to some extent by the use of poisons, although efforts to combat the pest have not been gene-ral. In some Counties in Mississippi, the plant is shedding leaves and forms from rains; in othere, from drought; rust has appeared in some localitius, and

doing local damage in shortening the life of the plant, without much injury to the bottom and middle crops. NEW YORK, September 17.-The crop of Louisiana lacks uniformity-United States Consul at Bremen is dead. Carrell returning 100 and Caddo 40; Ten: 3 85 and Rapides 33. In the same

parishes, worms have been present, without doing much damage, while the \$4,000 were subscribed this morning losses have been heavy in others. There s a similar range of condition in Texas, from very good to quite poor, though the average is much higher. Worms have appeared in many parts of Arkansas, with little prospect of damage, BALTIMORE, September 17.—The lost sas, with fittle prospect of damage, report of Graud Sire Logan has been received, and has been ordered printed. The report reached New York yester-day, by the Ocean Qaeen. ROCHESTER, September 17.—Au turns of cotton, which have never be-

fore made mention of the crop. The Commissioner of Internal Revenue calls attention to the Act of Congress of December 24, 1872, requiring every person liable to the special tax to The exhibit conspicuously in his place of arm- business a stamp denoting the payment of such tax, and directs that persons ongaged in selling tobacco or cigars on railroad trains be required to have their tax stamp properly framed, so that it

> planter eug aged In making a crop on shares is not liable to the Abbie Bradford refusing them pay a special tax as a dealer on manu- passage. factured tobacco furnished in supplies to the hands employed; such tobacco to be paid for out of the crop produced. The Commissioner says the law does not impose this tax upon every person bite which occurred five days previous-who shall sell or offer for sale, as in 1y. He was bitten on the leg by a small case of liquor dealers, but upon every spider, having a small red spot on its person whose business it is to sell or offer for sale manufactured tobacco; and he does not think furnishing hands with tobacco, to be paid for as stated, constitutes such a business as the law contemplates contemplates.

MAN'S INHUMANITY TO MAN .- Some of the crew of the whaler Ansell Gibbs, of New Bedford, before reported wrecked in the Arctic Ocean and brought to New Bedford, in the whaling schooner Abbie Bradford, have reached Boston, and tell a horrible story of suffering and torture by the officers of the Ansell Gibbs. They say that owing to neglect to provide suitable provisions the crew were attacked with sourvy. They were terribly beaten by the Captain and first mate, and after the vessel was wrecked, ten died of scurvy, and those foremost in protesting against their ill treatment

accident occurred in the neighborhood of Providence Church, on the State Road, about fifty-nine miles from Charleston, on Thursday, the 11th of September. A yonng man, the son of Mr. Middleton Bull, while fiding on a mule described of the son of mule, carrying a few tin buckets con-tuining dinner for a working party, fell

from his mule, which became frightened by the fall and rattle of the buckets, and gave him several severe kicks before he could get out of reach. He got up apparently not much hurt, and after washing his face in the ditch close by, suddenly fainted down and died in a very short time.

Wm. Seats shot and killed a brother, named W. U. Seats, at half-past 1 o'clock Wednesday, in his room in Hamilton, Ga. The weapon was a pistol. Shot took effect in his left breast, pro ducing death almost instantaneously. The deceased, it is stated, was just recovering from a drunken spree. No cause assigned for the rash act. The slayer was arrested.

The Memphis Appeal says: "Yester day, Tam Lang Peab, a Chinaman, lost his pocket-book, and so stated to a po-liceman, who asked him if he had found it. 'O, no, me no find him; some d-d fool Melican man he come 'long and pick he up.' And the policeman re-plied: 'Yes, and the Melican man is just d-d fool enough to keep it, too.'"

The State Temperance Committee of

New York, have issued a call for a State Convention, to meet in Utica, N. Y. calls for delegates in favor of prohibition and a thorough organization of temperance men for political purposes, but is not in favor of a third party for the present.

A stranger, who gave his name as Gardner Makefushions, died at the Lexington County poor, house on the 7th ust. He stated that he came from Cheraw, in this State, and that he had relations living there. He appeared to be idiotic or mind somewhat impaired.

They didn't invite Jim Cummings to a wedding ball in Nebraska, and Jim took position at a window and shot with a shot-gun until he had effectually

marred the harmony of the evening. A Havana despatch says a list of embargoed houses, the property of insur-gents, which are to be sold, was pub-

lished yesterday. Among the number is the palatial residence of Aldama. It is a painful sight to see an old

man, seventy years of age, trying to sap the stamp off a second-hand postal card.

After hanging several saloon keepers, the people of Lost Town, Colorado, have reduced the price of beer to ten cents a glass.

Isabella Macklin, a colored woman, died at her residence in Conwayboro, ou Sunday morning last, from the ef-fetts of a gun-hot wound.
