A Sermon in a Nut-Shell.  
Live and let your neighbor live,  
You will be the better for it;  
Give unkind words for your gift,  
You will be the better for it.  
Be not selfish in your living,  
Be not boastful in your giving;  
Live and give, for giving's living,  
You will be the better for it.  
Live as angels all incline,  
You will be the better for it;  
Give and make your lives divine,  
You will be the better for it;  
In Heaven, love is living wholly,  
In the skies there's giving solely,  
Keep your life thus sweet and holy,  
You will be the better for it.

AMONG late improvements in the manufacture of FLOUR, by far the most important is the recently discovered method of PURIFYING MILL-DRILLINGS. This wonderful invention is destined to revolutionize the entire Milling system in this country. By it a more thorough separation is effected between the outer husk and the farinaceous portion of the grain, and a Flour is produced of greater and more uniform purity and sweetness than can be made in the old style, and with no increase in cost. We have, at heavy expense, introduced this "NEW PROCESS" into our Mill, and are prepared to offer Flour greatly improved in color and quality over corresponding grades made in the usual method.

Liberal deductions made on car-load lots.

OVER THIRTY YEARS AGO LYON'S KATHAIRON FOR THE HAIR was first placed in the market by Professor F. Thomas Lyon, a graduate Princeton College. It increases the growth and beauty of the HAIR. It is a delightful dressing. It eradicates Dandruff. It prevents the Hair from turning gray. It keeps the hair cool and gives it a rich, soft, and glossy appearance.
