MADRID, Soptember 28.—Gen. Caballos arrived at Alicante on Friday, and was enthusiastically received. The was enthusiastically received. The efforts of the foreign Consuls to prevent the bombardment of the city by the insurgents' men of-war failed. Admiral Xelverton declined to go beyond his instructions from London, which Monore, the Speaker of the McEnery were to maintain an absolute neutral Legislature, was taken down yesterday." private bankers held a meeting to night possession of all merchant shipping left Nineteen interments to-day, including and confirmed the action of last night. possession of all merchant shipping left in port. Eight are anothered outside. There were two interports the British fleet moored in the harbor on the right, the French on the left of the town. Eleven other foreign men-of-the town. Eleven other foreign men-of-the centre, including the Germans, occupied the centre, including prominent citizens the last moment, offered to stop hostilities, but the English and Trench commanders refused to join him.

Nineteen interments to-day, including said confirmed the action of last night. A committee of six were appointed who vill certify the checks of each. The banks holding aloof are the Bank of the Republic, the Farmers' and Mechanics' Bank of Georgetown, and Riggs' Bank. The members of the combination are confident that the above banks will be forced into accompromise before Monday night. The destintion is as terrible as the disease, and the expenses of the Memphis, September 28.—Twenty- Kenkeron, September 29.—The bank and suburbs, including prominent citizens the disease, and the expenses of the Memphis, September 28.—Twenty- Kenkeron, September 29.—Bonds day. The women and children must be fed or starve. It is reported that the week pressions. The bombardment was opened at 5 o'clock, this morning, and 500 projectiles, some filled with petroliem, were thrown into the city. Great damage MONTGOMERY, Septem thrown into the city. Great damage was done, and several edifices are in ruins. A vigorous fire was returned but no new cases. from the forts and batteries on shore with effect, and at the end of seven hours the rebel iron-clads shifted their cables and withdrew in a damaged condition. A telegram was received noon to-day that the bombardment had ended, and the ministers say that it was a wanton outrage which should be held up to the reprobation of Europe. The men-of-war Vittora and Alamanza, recently released by the British, will be despatched to the relief of Alicante. Liondon, September 29.—Three

brokers have failed, on account of the doing all in its power to relieve the pre-Erie decline.

LONDON, September 29.—£500,000 sterling for America has been engaged this week. The demand for discounts at the bank and in the streets is heavy at 5 per cent. £638,000 has been drawn from the Bank of England to-day, whereof £164,000 goes to America, the balance to Germany. Consols 9236.

WASHINGTON, September 28 .- The following letter was written to-day: EXECUTIVE MANSION,

Washington, September 28.
Messrs. H. B. Claftin and Charles L. Anthony-Gentlemen: In response to the news you have communicated to me, touching the present stringency in the money markets of the country, and the necessary steps to reserve confidence and legitimate trade and commerce, I have the honor to communicate the following: The Government is desirous of sent unsettled condition of husiness affairs, which is holding back the immense resources of the country, now awaiting transportation to the sea-board and a market. Confidence on the part of the people is the first thing needed to relieve this condition, and to avert the threatened destruction of business, with its accompanying disasters to all classes of the people. To re-establish this feeling, the Government is willing to take all legal measures at its command; but it is evident that no Government efforts will avail, without the active co-operation of the banks and moneyed corpora-MADRID, September 29.—The insurgent frigates Neumancia and Mendez of Government indebtedness, and the failed. New withdrawal of their large deposits from withdrawal of their large deposits from distilled. the Treasury, the banks are now strong enough to adopt a liberal policy on their part, and by a generous system of discounts, to sustain the business interests rally believed that the failure of the in-surgents to capture Alicante will cause be pursued, the \$41,000,000 of reserve will be considered as money in the Treanecessity, as the circumstances of the country may require. Close attention will be given to the course pursued by those who have the menus at their command of rendering all the aid necessary to restore trade to its proper channels and condition. With a view of strengthening the hands of those who carry out the measures above indicated, orders have already been issued for the prepayment of the interest accruing in November.
