SHELBYVILLE, TENN., Sept. 11, 1873.
To All whom it may Concern,
We heartily recommend to the public generally, Mr. and Mrs. Jerome. As teachers, they have no superiors and few equals. Having taught in Shelbyville the past four years, we hazard nothing in saying they are worthy of respect and confidence of all good people, being Christians, as well as professors of Christianity. Any community that shall secure their services is to be envied. Mrs. Jerome, besides giving lessons on piano, organ and guitar, gives vocal lessons. Hon. G. N. Fillman, Jos. H. McGrew, M. D., Hon. Lewis Tillman, Hon. Judge Caldwell, J. A. Blakemore, M. D.
For further information, consult the undersigned at the school building.

CAPTAIN JACK'S REMAINS

HAVE been laid in their last resting-place, and his foes rejoice. Old fogies in the Cigar business has been laid aside by the Indian Girl, and another rejoice, as they can get a better Cigar for 5 cents at her store than can be bought elsewhere at 10 cents, and pure Havana three for 25 cents, the sale of which she controls in this market. The magnificent stock that

WILL BE EXHIBITED

In a few days at this Cigar Emporium will surpass anything ever seen in the State. This Maid being so long known to the citizens of Columbia as the only dispenser of the smokers' luxury, would render further advertising unnecessary, but strangers and those who expect to visit this city

DURING FAIR WEEK

Must be posted as to where to get the best CIGARS. If you haven't tried the 5 cents Cigar, call at once.
SILVER LAKE FINE CUT is all the go with Chewers.

THE PUBLIC HAVE

Of late been made aware that Segars can be made at home as well, yes, even better than those imitation brands brought out from the North by the innocent dealer, which are sold to them for genuine articles, and as they cannot always judge by the sample shown them, but must rely on the honesty of the manufacturer, therefore the proprietor of the CALIFORNIA SEGAR STORE says the public have

BEEN PROTECTED BY

him in establishing a Manufactory of fine Havana Segars in this city. And we assure our patrons that we import none but the finest Havana Tobacco in the market. Also do we say to our friends that we have brought out some of the best workmen from New York, who, we are sure, will not let any New York or Baltimore segar beat those made at the

CALIFORNIA SEGAR STORE.

Flour Made by the New Process.

STOVALL & HULL,

Proprietors of
Stovall's Excelsior Mills,
353 BROAD STREET, AUGUSTA, GA.

AMONG late improvements in the

manufacture of FLOUR, by far the most important is the recently discovered method of PURIFYING MIDDINGS. This wonderful invention is destined to revolutionize the entire Milling system in this country. By a more thorough separation is effected between the outer husk and the farinaceous portion of the grain, and a Flour is produced of greater and more uniform purity and sweetness than can be made in the old style, and with no increase in cost.

We have, at heavy expense, introduced this "NEW PROCESS" into our Mill, and are prepared to offer Flour greatly improved in color and quality over corresponding grades made in the usual method.

Liberal deductions made on car-load lots.
