PARIS, November 2.—The Deputies of
the Right are generally in favor of pro-
claiming a monarchy, and appointing
Prince de Joinville Lieutenant-General
of the kingdom, on the reopening of
the Assembly. The Orleans Princes
have reiterated verbally the assurances
that they will not compete with each
other for the throne. A later report
says the Orleans Princes have united in
a formal declaration that they will not
accept the lieutenantancy of the kingdom,
and this they do to avoid all appearance
of competing with De Chambord. All
factions of the Right have consequently
agreed to give prolongation of Presi-
dent MacMahon's power. There is a
difference of opinion as to the length of
time. Some favor making MacMahon
President for life, and others for ex-
tending the term to six or ten years; but
all are determined to continue the
existence of the present Assembly. A
motion will probably be introduced pos-
tponing its dissolution three years. It
is rumored that an attempt will be made
to arm the Government with dictatorial
powers, similar to those granted in
1852, and to introduce a bill prohibiting
elections for vacancies in the Assembly
until the electoral law is amended. The
Left have resolved to demand immediate
elections to fill the vacant seats. It is
stated that MacMahon, in his forthcom-
ing message to the Assembly, will ask
for an extension of his term for so long
a time as may be required to strengthen
the authority of the Government, in
order to inspire the nation with confi-
dence.

PARIS, November 3.—The budget of
the Minister of Finance is nearly ready
for presentation to the Assembly. The
estimates for the War Department are
very heavy, and M. Magne will ask for
the temporary imposition of new taxes.
PARIS, November 4.—President Mac-
Mahon, to-day, received delegations
from all sections of the Right. It is
believed that after the prolongation of the
President's powers has been voted, the
Ministry will be reconstructed, and a
series of strongly conservative measures
be introduced in the Assembly. The
deputies of the entire Left have agreed
to question the Government on its par-
ticipation in the intrigues of the mon-
archical coalition.
The Count de Chambord has re-
ceived a congratulatory letter from the
Pope.

LONDON, November 4.—By a collision
on the Midland Railroad, twenty were
seriously hurt.

PARIS, November 4.—It is reported
that the Government has recalled the
French Consul at Cartagena.

MADRID, November 4.—Grand, the
Prussian subject who was arrested by
the Cartagena insurgents, on the charge
of being a spy from Madrid, has been
released.

LONDON, November 4.—A steamship
has arrived from Australia, with 489,
000 pounds of bullion, nearly all of
which is for shipment to America.

The Spanish steamship *Murillo*,
which was seized at Dover, for running
into and sinking the emigrant ship
Northfleet, has been condemned, and
will be sold to-morrow.

An explosion occurred this morning
in the fire-works factory at Lambeth,
while the employees were at work, caus-
ing a lamentable loss of life. Eight
persons were instantly killed and a num-
ber injured.

PARIS, November 4.—The Left, at a
meeting to-day, resolved to introduce
an amendment to the motion for a pro-
longation of President MacMahon's
term of office, requiring a definite re-
cognition of the republic. The extreme-
ists and some deputies of the Centre are
in favor of referring the motion to a
committee on constitutional laws. The
Bonapartists to-day held a caucus, and
resolved to introduce a motion in the
Assembly for a plebiscite on the form of
Government, and decided to make no
alliance with the Right or Left.

ROME, November 4.—A decree has
been promulgated for the expatriation
of four more convents in this city.

SAN FRANCISCO, November 2.—A large
crowd gathered to-day to witness the
balloon ascension and wedding of Prof.
Lay and Miss Smith, of this city. The
balloon, got away without the wedding
party or any one else, and when last seen
to-night was going Northward, at a high
altitude.

MEMPHIS, November 2.—The Appeal
contains particulars of an alleged fraud
practiced on the commissary department
of the Howard Association by Acting
Mayor Paul Cuccia. It is charged that
he made requisitions for supplies in the
name of a widow lady known to be desti-
tute; that he secured supplies of food
and clothing for herself and family of
eight persons and four of her sisters,
who were victims of yellow fever, for
thirty days, and appropriated the same
to his own use.

SAN FRANCISCO, November 2.—The
Daily Call publishes an account of
serious charges against Gen. O. H. La-
Grange, Superintendent of the Mint, in
this city. It says the specifications have
been forwarded to Washington. One of
the charges is that he has sold material
and machinery at private sale instead of
public auction, and that several thou-
sand dollars received in this way was

never accounted for. Another charge is
that of general looseness in the business
and working of the mint, and that the
superintendent employed incompetent
persons at the dictation of Billy Carr,
in the interest of the Central Pacific
Company, discharging competent em-
ployees to make places for them, and
that he assessed his employees for Ne-
vada election purposes, in the interest
of certain candidates, to the extent of
\$2,000. There are thirteen charges.
BAINBRIDGE, Ga., November 2.—Mr.
G. W. Peaslee died last night. Mr. Dan
Murphy and Collector Arthur are said
to have charged Supervisor Shook and
Commissioner Van Nort, and two other
representative Republicans, with desert-
ing the combination ticket, and giving
their support to Wm. Walsh for County
Clerk, against the Republican and
Apollo Hall candidate, Jacob M. Patter-
son. Murphy, in retaliation, is reported
as threatening to call off his Republican
voters from the McCool combination
candidate for Sheriff; and he, in turn,
is said to be urging his followers to defeat
Murphy's plans, and to vote for Walsh.
The fight in some of the Senate and
Assembly districts is bitter. Some Tam-
many Inspectors have been arrested, and
Apollo Hall Democrats substituted.
This is in the interest of the combina-
tion. Few fights have occurred.
There were boxes for the Memphis
sufferers at every polling booth in the
city, and a good deal of currency was
deposited, especially at the East side
and up-town districts.

Louis Gaylord Clark died at his resi-
dence, Piermont, on the Hudson, last
night, after a sickness of only a few
hours, resulting from a paralytic stroke.
Mr. Clark was editor of the *Knicker-
bocker Magazine* from 1832 till it ceased
to exist, and subsequently was engaged
in the New York Custom House; fre-
quently contributing, however, to the
literary periodicals. Mr. Clark's home
at Piermont was the gift of his associ-
ates on the *Knickerbocker*.

The brig *Emma*, from Cienfuegos,
reports, October 8, latitude 23.40, longi-
tude 83, experienced a fearful hurricane,
and on the 6th, saw several disabled
vessels; one ship, apparently cotton
loaded, totally dismantled; could not get
near enough to speak to her; since then,
had continued North-east gales.

Everything is quiet at the headquar-
ters of the Bricklayers' Union this
morning. It is said the men have re-
sumed work. It is reported that the
contractors have decided not to put the
reduction of wages in force for the pre-
sent. It is said there is no general dis-
position on the part of the masons to
strike.

NEW YORK, November 4.—8 P. M.—
The earliest election returns from the
interior of the State indicate a Demo-
cratic victory, if New York city gives
the Democrats 20,000 majority.

LATER.—Returns from 57 districts in
various parts of the State show, on the
vote for Secretary of State, a Demo-
cratic net gain, as compared with the
vote of 1871, of 938. The Republican

majority in these districts is 1,675. No
definite returns received from any part
of this city. It is claimed that this city
has gone Tammany Democratic by from
15,000 to 20,000 majority. If the latter
figures prove correct, there is not much
doubt but the State has gone Demo-
cratic by from 2,000 to 5,000 majority.
The election of S. S. Cox to Congress
is conceded. The returns from Brook-
lyn indicate that Hunter, the Demo-
cratic candidate for Mayor, has been
elected, and the Democratic majority of
that city for Secretary of State will prob-
ably reach 5,000.

CONCOR, N. H., November 4.—The
savings banks to-day determined to pay
no depositors till January 1.

BUDGETON, N. J., November 4.—
The Republicans elect the Assemblymen
from the First District by 150 majority.

BOSTON, November 4.—Scattering re-
turns indicate Washburn's election by
8,000 to 10,000 majority. Gen. Banks
beats the regular Republican for the
State Senate. Returns from towns give
Washburn 11,000; Gaston 7,000.

MILWAUKEE, November 4.—The esti-
mated Democratic majority in the city
is 5,000. Returns show heavy Demo-
cratic gains over the last two years.

LATER.—The *Sentinel*, Washburn's or-
gan, estimates, from the way returns
come in, that Taylor will carry the State
by 5,000. Prominent Republicans con-
cede Washburn's defeat.

SEBALIA, Mo., November 4.—Colonel
D. H. Bullong, United States Collector
for this district, was brought here, to-
day, under arrest, on the charge of um-
brellism. An examination will be had
to-morrow.

KNOXVILLE, TENN., November 4.—The
trouble on the East Tennessee, Virginia
and Georgia Railroad is unadjusted.
The men will not allow the freight trains
to move. No freight has been carried
over the road since Friday. The mail
trains run regularly. Much inconve-
nience is caused to the merchants by
their inability to receive and ship goods.
Several thousand bales of cotton have
been lying here for four days.

ST. LOUIS, November 4.—A despatch
from Fort Gibson, Indian Territory,
says that the Choctaw Indian prisoner
in the hands of Deputy Marshals Wil-
son and Ayres, shot those gentlemen at
the Creek Agency, on Sunday last, mortally
wounding the former and badly
wounding the latter. He also shot Perry
Duval, a guard. The murderer was
subsequently shot and mortally wounded
by the Creek Indian guard.

RICHMOND, November 4.—The elec-
tion in this city passed off very quietly,
the polls at all the precincts closing
without any disturbance; all this in the

face of numerous sensational rumors in
wild circulation on the streets last even-
ing. These rumors went so far as to
state that the military had been ordered
under arms during to-day, but inquiry
at headquarters proved that no orders
had been issued to the military, nor was
any disturbance apprehended. The
voting on the part of the whites has
been quite full, but the negroes not so
good. Some leading Republicans here
concede the election of Kemper by from
15,000 to 20,000 majority. No returns
in yet from the city precincts; but the
indications are that Kemper's majority
will be not less than 500 in Richmond.

MEMPHIS, November 4.—A meeting
of citizens adopted resolutions bringing
ex-acting Mayor Paul A. Cuccia before
the courts, for imposition on widows
and orphans.

WASHINGTON, November 4.—The Presi-
dent, all the members of the Cabinet,
General Sherman and one or two in-
vited guests will leave here Thursday
morning, to attend the London County
Fair, at Leesburg, Virginia, where they
will be the guests of Colonel Fairfax.
They return Thursday evening.

Probabilities.—For the South Atlantic
States, light South-westerly winds,
cloudy weather and rain.

The United States and Mexican Com-
mission have acted on the 366 cases pre-
sented by Mexico, claiming indemnity
to the amount of \$26,000,000, on account
of Indian raids into Mexico. The Com-
missioners disagreeing on these claims,
the question will be submitted to Sir Ed-
ward Thornton, the umpire.
