INTERESTING ANNOUNCEMENT.

A SPANISH VESSEL, REGARDLESS of the power of the United States, has seized upon her steamer, torn down her flag, butchered her subjects, and exultingly boasts of the act. The Indian Girl, regardless of expense, has seized upon an opportunity to establish an exclusive Cigar Store, torn down the barrier that heretofore kept smokers from getting good Cigars, at low rates, thus protecting the subjects of Tobaccoists, (the evaying weed,) and now proudly defies all competition. Should a fleet make its appearance OUTSIDE OF CHARLESTON BAR, the sensation caused in that city would compare with that caused in Columbia by the appearance of those five cent Cigars, and should the news be sent forth that they are BOMBARDING FORT SUMTER, the country would thrill with excitement as the bosom of every smoker does with joy when he hears that those celebrated Majolica Cigars are now sold at ten for one dollar, and other imported goods in proportion. Get a supply for Sunday's smoking. Nov 22

COFFEE at 25 cents per pound and upwards, as to quality; with a full assortment of Choice Family Groceries, Wines, Liqueurs, Cigars, &c., for sale, at cash prices, by Nov 22 JOHN AGNEW & SON.

The late telegrams from Washington, announcing the decision of the United States Supreme Court, concerning the Bills of the Bank of the State, Did not create more excitement in Columbia than was caused by the announcement that there are plenty more of those fine Havana CIGARS, of our own make, which are still all the rage. We also announce that Building and Loan and Greenbacks are Received at Par. Great throngs are flocking to avail themselves of this opportunity to procure the choice Tobaccos and Cigars to be had At the California Cigar Store. Nov 9 M. SULZBACHER.

"Vae Victis." IN the present excited state of the advertising mania, we scarcely know how to address our friends. "Unprecedented rushes," "Enormous Increase of Biz," and "stupendous cigar puff," a liberal profusion of superlatives, together with the quietly-whispered-in-your-ear assurance that it is astonishing how the young men stand up to the grave demands upon their physical endurance—really have left our modest style in the shade. We have, however, no desire or love for the sensational. "Water always finds its level," and purchaser of 10 cent hams and cooking butter vamped under the name of "Gilt Edge," soon find their way back to where good goods only are kept; and where no promises are made which are not meant to be performed. Our stock is full, our business fair, (not exaggerated,) terms are cash, and our goods are up to the standard we have always maintained. We can promise no more. Terms cash. Nov 2 GEO. SYMMERS.

A Card. I beg to state to those of my customers, who have been running monthly bills, that all accounts unpaid on the 5th instant will at once be stopped and the proper steps taken to legally enforce payment. This course is imperative, for protection of myself and creditors. No exception whatever will be made. GEO. SYMMERS.
