We also announce that Building and Loan and Greenbacks are

Received at Par. Great throngs are flocking to avail themselves of this opportunity to procure the choice Tobaccos and Cigars to be had

Why the South is Poor.

FROM the cradle to the grave, we are dosed with all kinds of unknown Medicines made abroad, of which we know nothing.

If your baby is sick, you give it Northern Soothing Syrup, instead of Heinitz's Rose Cordial.

If your Liver is not right, you take Northern Pills, instead of the "Blood and Liver Pills."

If your Blood is impure, you take Northern Sarsaparilla, instead of the "Queen's Delight."

If you have Chills and Fever, you take Northern chill cures, instead of Heinitz's Vegetable Tonic.

Our health and our wealth is thus destroyed. Encourage your own doctors; take Medicines made at home; and buy those that you know are good. Heinitz has an experience of forty years in making all kinds of Medicines for every disease known. Go at once and consult with him. For sale at HEINITZ'S FAMILY DRUG STORE. Oct 17

The Singer Still Triumphant!

VALUABLE IS

THE WORLD'S AWARD!

As shown by sales—proved by sworn returns to the owners of the principal Sewing Machine Patents, which last year amounted to 219,758 Machines, nine out of ten of them being for family use. This is over 45,000 more Sewing Machines than were sold by any other company during the same period, and over one-quarter of all the Machines sold in 1872. These enormous sales are due to the long-tested merits of the SINGER Machine, which meet the wants of the public in superiority and simplicity of construction, and capability for great variety and excellence of work.

"Vos Votis."

In the present excited state of the advertising mania, we scarcely know how to address our friends. "Unprecedented Profits," "Enormous Increase of Biz," "captivated cigar puffs," a liberal profusion of superlatives, together with the quietly-whispered-in-your-ear assurance that it is astonishing how the young men stand up to the grave demands upon their physical endurance. We have, however, no desire or love for the sensational. "Water under the bridge," "Gilt Edge," soon find their way back to where good goods only are kept; and where no promises are made which are not meant to be performed. Our stock is full, our business fair, (not unprecedented), terms are cash, and our goods are up to the standard we have always maintained. We can promise no more. Urbum sap.
