Transfer printing inks are invaluable to railroad companies, banks, merchants, manufacturers and others. They are enduring and changeless, and will copy sharp and clear for an indefinite period of time. Having just received a fresh supply of inks, we are prepared to execute orders at moderate prices.

Persons indebted to the PHOENIX office are earnestly requested to call and settle at once. There is a large amount due—the greater portion in small sums. The indebtedness must be liquidated, or we shall be forced to resort to extreme measures.

Alderman work in Fort Scott, Kansas, is enormous, and doesn't pay. Mrs. Guernsey fired at some burglars, one night, and the next day one of the aldermen had his arm amputated.

Indianapolis claims the third place in the list of the packing cities of the world, and says it has the largest pork packing house in existence, 394,000 hogs being slaughtered there last year.
