There is a woman in Norwalk, Conn., the wife of a seaman making regular trips between New York and Liverpool, who has not seen her husband for nineteen years. Every time he ships from New York he writes to her that he will visit her on his next arrival in that city, but as often as he arrives he gets drunk, loses his money and is shipped on board the packet again.

M. Germany.—The Prussian Government has divided among the States of the German Empire 42,000,000 thalers. This is another part of the French indemnity. Somehow Germany does not seem to have had much good out of that money; for we hear constantly of financial embarrassments and threatened financial embarrassments and threatened panies, while France seems to be unusually easy and prosperous.

A body was recently disinterred in Bangor, Me., which weighed seventeen pounds more than when buried five years before. It was as perfect in shape and feature as when buried, and "its entire surface seemed to be overlaid with a marble-like enamel, white and clear as alabaster."

In Paris a railway tunnel passes under Pere le Chaise Cemetery. It showed signs of insecurity and was braced; but finally the masonry gave way and about forty graves went with the wreck, mixing bones beyond the possibility of assortment.

THIS GUANO is now so well known in all the Southern States, for its remarkable effects as an agency for increasing the products of labor, as not to require special recommendation from us. Its use for eight years past has established its character for reliable excellence. The large fixed capital invested by the Company in this trade affords the surest guarantee of the continued excellence of this Guano. The supplies put into market this season are, as herotofors, prepared under the superintendence of Dr. 8t. Julian havenel, Chemist of the Company, at Charleston, S. C. Hence planters may rest assured that its quality and composition is precisely the same as that heretofore sold.
