An Agen SERVANT. -Rev. Stephen Powell, a minister of the Baptist de-nomination of Greenville County, is probably one of the oldest ministers in the State. He is eighty-eight years old, having been born in the year 1788. He entered the Baptist ministry nearly sixty years ago, since then has followed the miniatrations of the Gospel uninthe ministrations of the Gospet unit terruptedly. He is at present supply-ing Marietta, Saluda Hill Cross Roads and Peter's Creek churches, and meets his appointments regularly. Last year he also preached for four congregations. He is a native of Virginia, and has re-sided in Greenville County for forty odd years.

Some of the cities of modern California are on the very sites where ancient races had their dwelling places and their burial mounds. The skeletons of an unknown race have been found in San Francisco sand hills, and workmen eu gaged in cutting down a street crossing at Napa recently unearthed the remains of nearly 100 persons. The skeletons had been partially burned before inter-

In New York the arrests last week were 1,663, marriages 183, births 479, deaths 488, loss from eighteen fire-\$260,070, insurance \$185,000, lodgers in the police stations 7,298, fees for thirty-nine licenses \$2,993, applications for licenses since June, 1873, 7,461, fees \$557,756,94, weekly receipts at the department of public works \$5,568,97. partment of public works \$5.566 97; receipts at the comptroller's office on Saturday \$133,718.67.

A gentleman informs us that recently, during the bad weather, he was riding out of town, and overtook a colored man on horseback stalled in the mod! The rider weighed about twice as much as the animal and effectually kept him down. Here is a good chance for the legislative humanitarian society.

SOUTH CAROLINA MONUMENT ASSOCIA-TON.—The monument proposed to be erected by the women of South Carolina, in memory of their gallant dead in the late Confederate war, has been delayed in its completion by want of the necessary funds. The cost of the monument will be \$10,000; the first installment of \$5,000 has been already paid to the distinguished architects, Muldoon & Co., of Kentacky, who are proceeding with the monument, which, when finished, will be a noble and beautiful tribute to our deceased soldiers. It is requisite that \$5,000 shall be raised by October next, to complete this sum of \$10,000. This can be easily obtained, if each District will pledge itself to give \$200, and if every individual who re-ceives one of these circulars will send the small sum of \$1. Let a treasurer and collectors be appointed in every village and city, and let the money collected by these local treasurers be promptly forwarded to the General Treasurer, Mrs. W. K. Bachman, at Columbis. If the ladies in these Districts will give the matter their earnest attention, we are convinced that they will soon secure the amount repuired. Surely none will refuse to aid in perpetuating the memory of those who counted not their lives dear that they might save the land they loved so well; and though the cause they died for be lost, all is not lost, so long as their grand epitaph, "They died for their principles," whether engineer on marble or on the tablets of our hearts, shall contain for us and for future gone-

rations inspiration and hope.
