Whiskey.
Of all the plagues that scourge mankind,
There's none that so impairs the mind,
And renders it to virtue blind
As whiskey.

What is the source of every ill,
That does with pain the body fill,
As is the oft-repeated ill
Of whiskey?

What is it that some love so well,
For which they do their bodies sell,
And send their very souls to hell?
'Tis whiskey.

What is it poisons all their lives,
And makes them curse and beat their wives?
'Tis whiskey.

What makes chill palsy prevail,
Makes widows weep and orphans wail,
And fills the poor houses and the jail?
'Tis whiskey.

O, whiskey! thou art the greatest curse
To soul, to body and to purse;
Pandora's box held nothing worse
Than whiskey.

Mrs. Wheat, of North Alabama, had three little wheats a few days ago. It looks like it would go against the grain to be cradling wheat this time of year, but we don't see anything to be done by the Wheat family but to get a thresher.

The jewels which the Duchess of Edinburgh brought with her to England are said to be worth \$2,500,000, including 100 bracelets. The day before she left St. Petersburg a bracelet was given her, valued at \$125,000.

Quiz rather likes the way the ladies wear their skirts now; it shows what's what.
