DR. SCHENCK'S STANDARD REMEDIES.
-The standard remedies for all diseases The standard remedies for all diseases of the lungs are Schenck's Pulmonic Syrup, Schenck's Sea Weed Tonic and Schenck's Mandrake Pills; and, if taken before the lungs are destroyed, a speedy cure is effected. To these three medicines, Dr. J. H. Schenck, of Philadelphia, owes his unrivaled success in the treatment of pulmonary diseases.

medicines, Dr. J. H. Schenck, of Philadelphia, owes his unrivaled success in the treatment of pulmonary diseases.

The Pulmonic Syrup ripens the morbid matter in the lungs; nature throws it off by an easy expectoration; for when the phlegm or matter is ripe, a slight cough will throw it off, the patient has rest, and the lungs begin to heal.

To enable the Pulmonic Syrup to do this, Schenck's Mandrake Pills and Schenck's Sea Weed Tonic must be freely used, to cleanse the stomach and liver. Schenck's Mandrake Pills act on the liver, removing all obstructions, relax the gall bladder, the bile starts freely, and the liver is soon relieved.

Schenck's Sea Weed Tonic is a gentle stimulant and alterative. The alkali of which it is composed mixes with the food and prevents souring. It assists the digestion by toning up the stomach to a healthy condition, so that the food and the Pulmonic Syrup will make good blood; then the lungs heal, and the patient will surely get well, if care is taken to prevent fresh cold.

All who wish to consult Dr. Schenck, either personally or by letter, can do so

All who wish to consult Dr. Schenck, All who wish to consult Dr. Schenck, either personally or by letter, can do so at his principal office, corner of Sixth and Arch streets, Philadelphia, every Monday. Schenck's medicines are sold by all druggists throughout the country.

SOUTH CAROLINA BANK AND TRUST COMPANY, COLUMBIA, S. C.

HARDY SOLOMON, President.

. L. N. ZEALY, Acting Gashier.

ESTABLISHED IN 1870. Paid Up Capital, \$106,000. Authorized Capital, \$500,000.

THE financial panic of the past year, fraught with so much disaster to all business interests, has left, our Bank intact, and our capital and facilities unimpaired. As herefofore, we continue to draw Sight Drafts on all the principal cities of the United States and
Europe. We receive all classes of deposits—individual, banking and corporate—subject
to Sight Check. Also, issue Certificates of Deposit, and, by special agreement, allow a
liberal rate of interest on the same. We make collections on all accessible points of the
United States and Europe, giving credit or account, or remitting on immediate receipt.
We pledge ourselves to the same prompt and faithful attention in the due execution of
all orders entrusted to our care that has characterized our Bank for the past four years of
its business career. We further beg leave to lay the following statement of the condition
of this institution before the public:
