

"Let our Just Censures"

Attend the True Event."

It would not be at all surprising if the penal colony of New Caledonia—the island in the Pacific which the French have selected for a penal settlement, and to which have been banished several thousands of the Communists—should become an important and valuable French colony. We hear that many of the Communists have sent to France for the remaining members of their families, and that there is a tendency to emigrate to New Caledonia from many crowded manufacturing centres of France. The climate and soil are unexceptionable, and as there are no places to burn and no columns Vendome to pull down, even the most turbulent Communist will have a life of harmlessness and peace.

RETURNED.—Joel S. Perrin, Esq., returned, a few days since, from a visit to Northern Missouri, and he expresses himself as better satisfied than ever with Abbeville, not only as a more desirable home, but as furnishing better inducements to the farmers than most sections of the West. Farming here yields a heavier profit, a better percentage to the sower. He advises his friends to be content, and in this proposes to set them an example.

CHEESE.—Few of our readers know, perhaps, the great value of the cheese sent to England by the United States. During three months ending March 31, the value of the cheeses received from America was \$2,610,230—a gain over the corresponding quarter of last year of more than \$400,000.

The Superior Court of Mississippi has awarded \$25,000 damages to Mr. R. D. Montgomery, formerly of Lancaster, against the Memphis Central Railroad, on account of an accident by which two members of his family were killed.

One of the leading attractions at White Mountain hotels to bachelors are the waiter girls, who, in many instances, are New England school ma'ams and very pretty. They teach during the winter and wait on table during the season.

A Nevada married woman of fifty recently eloped with a boy of fifteen. If Nevada has no laws to protect the trundle-bed trash of the State, we should advise all parents there to sell out and leave.

CATS.—The city fathers of New York have issued a ukase forbidding males of the feline tribe to roam after midnight, at the risk of being sent to prison and fined \$3. Where's Bergh now?

1,000 children have been taken to the gas works in Hartford, Conn., this spring, to be cured of whooping cough, by inhaling crude gas from the retort.

Within a year twenty-six vacancies will occur in the Senate of the United States.

To Farmers and Planters. YOU should now begin to get your LIME and compost your chip and woods manures for grass and small grain. When the Lime is ready to hand, a rainy day can be taken, which is the very thing for your compost heap, as it must be thoroughly wet through and through.

Lime is the great enriching warming agent, and combined with other material, a preventive of drought. Don't wait until you wish to sow, for then the rush will be so great that, perhaps, you will not be able to obtain any; besides age improves your compost. I will deliver Lime at Gaffney's Station, at \$1.00 a barrel, when a car load is taken. At Spartanburg, \$1.12 1/2 a barrel. At Alston, \$1.42 a barrel. At Columbia, \$1.62 a barrel. At Charlotte, \$1.20 a barrel.

For other points, see your Railroad Agent and get his car load rates from Gaffney's, and divide that by 80, as a car holds that many barrels. I will send to all applicants, free of charge, Prof. Johnson's great formula for a mixture to resist drought. Address, THOS. H. BOMAR, Spartanburg, S. C. April 29 6

HON. R. B. ELLIOTT GREATLY pleased the citizens of Boston by his eulogy on Charles Sumner. The "INDIAN GIRL" has delighted the citizens of Columbia by the sale of those celebrated 5 Cent Cigars. Every one should remember that the Maid's Wigwam is headquarters for Cigars and Cheating Tobacco; also, that she makes Pipes, Cigar Holders, Smokers' Articles and

CANES A Specialty. In fact, to know how far she surpasses in this line, inquire of those who have bought a Cigar from her for 5 cents, superior to those sold elsewhere at 10 cents, and then be convinced that as a

CONGRESSMAN IN WASHINGTON Studies the interests of his constituents, so this Maid of Luxury considers this interest of her customers. Therefore, call at INDIAN GIRL CIGAR STORE, Columbia Hotel Block, Columbia, S. C. April 29
