"Official" papers apply only to such advertisements as are paid for from State and County funds. Lawyers may, therefore, order all estate notices, referee sales and sheriff sales to be published in this paper, should they prefer it.

O. money order, or in a registered letter.

NEWSPAPER ADVERTISING.—Newspaper advertising is now recognized by business men having faith in their own wares, as the most effective means for securing for their goods a wide recognition of their merits. Newspaper advertising impels inquiry, and when the article offered is of good quality and at a fair price the natural result is increased sales. Newspaper advertising is a permanent addition to the reputation of the goods advertised, because it is a permanent influence at work in their interest. Newspaper advertising is the most energetic and vigilant of salesmen; addressing thousands each day, always in the advertiser's interest, and ceaselessly at work seeking customers from all classes. Newspaper advertising promotes trade, for even in the duldest times advertisers secure the largest share of what is being done.
