THE DAILY PHŒNIX.

"Let our Just Censures Attend the True Event."

BY JULIAN A. SELBY. COLUMBIA, S. C., WEDNESDAY MORNING, AUGUST 19, 1874. VOLUME X—NUMBER 127

In the United States Court at Greenville, on the 17th, Judge Bryan passed the following sentences: B. J. Ramage and A. M. Wicker—information for not having special tax stamp exposed—the defendant plead guilty, and were sentenced to pay a fine of $10 and costs. John J. Watson—concealing distilled spirits—$500 and three months' imprisonment. James E. Gaffney—robbing the mails—hard labor for fifteen months.

Last Thursday, at Polkton, N. C., Mary Haley, colored, shot and killed Elias Smith, colored. The jury of inquest brought in a verdict of guilty against the woman, who was arrested and lodged in jail.

Tax Union No. 12, of Fairfield, has proposed a convention in that County of the honest people, to be held on the first Monday in September, to consult as to the expediency of nominating candidates for the Legislature.

6,000 persons were present at Spartanburg, at the Grange celebration, on the 13th. Every hotel was crowded, and the wagon-yards and vacant lots were full to overflowing.

Office Board of Health,

COLUMBIA, S. C., August 14, 1874.

IN order to guard against epidemics, the citizens of Columbia are earnestly enjoined to use disinfectants in their outhouses and other places likely to generate disease. By order:

WALTER R. JONES, Clerk.
