

'Let our Just Causes

Attend the True Event.'

BY JULIAN A. SELBY.

COLUMBIA, S. C., SATURDAY MORNING, SEPTEMBER 26, 1874.

VOLUME X—NUMBER 161.

It is said that the deepest coal-shaft now in the country is 666 feet in depth, located North of Pottsville, Pa., but in the hope of reaching a coal area five miles long and 4,500 feet wide, out of which 80,000,000 tons of black diamonds can be taken, the Philadelphia and Reading Coal Company are now sinking a shaft a short distance from the first named.

An order has been sent to Rear Admiral Almy at San Francisco, it is understood, to have the Benicia, now at Honolulu, fitted up in a suitable manner to convey his Majesty King Kalakoua, of the Hawaiian Islands, to the United States. It is believed that the king will also visit Europe before his return to the islands.

Cheerfulness has been called the bright weather of the heart. It gives harmony to the soul, and is a perpetual song without words. It is tantamount to repose. It enables nature to recruit its strength; whereas worry and discontent debilitate it, involving constant wear and tear.

The National Board of Underwriters now recommend that all companies belonging to the National Board discontinue the business of fire insurance in the city of Chicago, either by new policies or renewals, on and after the 1st of October prox.

The millennial in Iceland is likely to result in an active commerce with that island. The Sicilian sulphur deposits are beginning to run low, and concessions have been obtained for mining the immense deposits of Iceland.

Never use profane language on the cars. Go out on the platform. Profanity is never thrown away on a brakeman.

Representative J. H. Rainey has received the nomination for Congress from the First Congressional District.

A readiness to take offence is a sign of a narrow mind or a bad temper.

Ladies are apt to be troubled this season with a rash of lace to the head.

HEINITSH'S

Standard Family Medicines.

An experience of forty years, and endorsed by the highest professional skill in the country. DR. HEINITSH'S FAMILY MEDICINES are compounded with great care, expressly for family use. The public have, therefore, a guarantee that the formulae of these Medicines are based upon strictly scientific principles, by one thoroughly acquainted with the medical qualities and effects of each ingredient, and of their combined influence when chemically united. I can, therefore, recommend these preparations with the greatest confidence, being fully persuaded from past experience that they will give very GENERAL SATISFACTION. The use of these "Family Medicines" is not confined to the illiterate and credulous, for innumerable persons of intelligence and character, occupying the most prominent stations in society, too honest to impose upon others, and too sagacious to be imposed upon themselves, not only use, but recommend them in the highest terms of praise, for the uniformity of their success in subduing diseases. is to machinery—the grand propelling power.

The State Officials

HAVING obtained their positions through the support of the people, should look to their interest. The Indian Cigar Store having obtained its present prominence through the patronage of an appreciative public, is constantly providing for their enjoyment, and a candidate for office.

Will Tell the Convention

That corruption must be put down. So, this "Man of Luxury" declares that "Deeds of the World" shall be received from paying high prices for mean Cigars. Ask dealers in different points in the State who handle the Indian Girl's Cigars.

What They Know About

Them, and they will tell you that their introduction is causing almost as much of a sensation among Cigar dealers as

Fox Hunting and Georgia Tigers

Did among the prominent members of the State House Ring. Sept 12
