

Berlin, October 17.—The Emperor visits Victor Emmanuel next year. JAMAICA, October 17.—A meeting of Cuban patriots was dispersed, by order of the Governor-General.

PARIS, October 17.—Duke de Cases, Minister of Foreign Affairs, has communicated documents to the Spanish Ambassador which clearly exonerates France from the accusations made in a note recently sent to the French Government by Spain, and show that the note should be addressed to other powers.

PARIS, October 19.—Fall returns from the elections of yesterday for vacancies in the Assembly show that Engaund, Bonapartist, heads the poll in the Pas de Calais, but as he fails of a majority, a fresh election will be necessary.

LONDON, October 19.—The Fiji Islands were unconditionally ceded to Great Britain.

MEMPHIS, October 17.—A white man named Ward, was shot and killed during an altercation, Wednesday, at Marion, Arkansas, by a negro named Turkish.

OMAHA, October 17.—Two more companies of the Thirteenth Infantry arrived here to-day, en route for New Orleans. They will leave here tomorrow.

CHARLESTON, October 19.—Arrived—Steamship South Carolina and schooner Lilly, New York.

MOBILE, October 17.—There is a correspondent of the New York Times newspaper, in this city, investigating the truth of the recent reports sent from Alabama to Washington by Republican politicians. He called yesterday on the gentlemen from Sumter County, now incarcerated in the County Jail, charged with the murder of Billings. He declares his intention of writing the absolute truth, which will be a great surprise to many of the Northern people.

NEW YORK, October 17.—In Brooklyn, to-day, Justice Pratt rendered a decision on motion to hear W. F. G. Shanks, city editor of the Tribune, adjudged in contempt of Court for refusing to reveal the name of the writer of the article entitled, "Brooklyn Ring Methods," for which Judge McCue sued the Tribune for libel and caused Whitelaw Reid to be indicted. Justice Pratt decides that Shanks must be adjudged guilty of contempt, but with leave to purge himself by fully answering.

DES MOINES, IOWA, October 17.—It is now believed that Ainsworth has defeated Granger in the Dubuque District. If this is confirmed, it will be the first time in ten years that a Democrat has been returned from this district.

OMAHA, NEBRASKA, October 17.—The law of this State allows four days for the return of canvass, and it will be fully a week from the time of the election before the official count can be published. The returns thus far indicate the election of thirty-seven Republican members of the Legislature, against fifteen Democrats—this being a Democratic gain of six, as compared with the last Legislature.

VIRGINIA CITY, NEVADA, October 17.—The political issue in this State is not doubtful, except in Bradley's district, where his personal popularity may secure him a majority and give the Democrats the governorship, but the Republicans will very probably carry the Congressmen and the Legislature.

TERRA HAUTE, IND., October 18.—Early yesterday evening, Jerry Picard, a prominent citizen, was walking with his wife, when two men rushed upon them. One held Mrs. Picard while the other shot her husband, inflicting fatal wounds. The murderers escaped. The motive for the act is unknown. This occurred in a public part of the city.

NEW YORK, October 18.—A World special from Tuscaloosa, Ala., announces the arrival of a company of the Second United States Infantry on Friday. One of the officers expressed his surprise to find the city as quiet as a New England village. The troops were most heartily welcomed by the whites.

CLINTON, LA., October 17.—A feud, between the Breux Weber and Gair Republican factions, culminated, today, in an attempt to assassinate John Gair, the Independent Republican candidate for the Senate, by parties unknown. Gair was wounded, but not dangerously.

NEW ORLEANS, October 18.—The Concordia Parish grand jury, composed of two white men and the balance colored, have found a true bill against Dave Young, a colored member of the Legislature, for embezzling thirty thousand dollars belonging to the parish. A true bill was also found against Owen Stuart, sheriff, for obtaining money under false pretences.

Careful inquiry fails to confirm the report that four members of the returning board have resigned. No one has yet been appointed to succeed Bonzarre as umpire of the advisory board. There will probably be a meeting of the conference committees tomorrow, the Conservatives to-day having sent a note to the Republicans inviting a conference. The twenty days allowed for creating vacancies in the returning board by the terms of the conference agreement expired to-day. The Conservatives are ready with their men to fill the two vacancies that are promised. Gov. Kellogg has not as yet been able to obtain the required resignations, but four of the members of the returning board, Longstrete, Casanova, Keener and Anderson, have

pledged to resign, provided Wells will resign. Wells is absent, and the date of his return is uncertain. He has been telegraphed for by Kellogg. New York, October 18.—The Herald New Orleans special reporter, in an interview, to-day, with the Conservative leaders, including General Ogden, the commander of the White Leaguers, says that all agree that there will be no further bloodshed in the city. They believe that many negroes will absent themselves from the polls on election day, and that the State will go Democratic by from 6,000 to 8,000 majority. No trouble is anticipated by them, except in the parishes about Shreveport, Monroe and Baton Rouge. Some of the Republican leaders concede that the State will go Democratic.

MONTGOMERY, ALA., October 19.—One month ago, the Sheriff of Sumter County convened a posse of forty-two men, to suppress a negro riot, near Belmont. The rioters dispersed without awaiting the arrival of the posse, and the posse was disbanded. A little negro, who carried the United States mail on a mule, was detained a few minutes on the road by the posse, to prevent an unnecessary spread of excitement in other and quiet settlements. Afterwards, this posse was arrested as Ku Klux, and also for stopping the United States mail, but were released on a bond of \$100 dollars each. Large numbers of men, from 100 to 150, are summoned to appear before the United States Court, in Huntsville, on the extreme North border of the State, early in November. It is also reported, to-day, that from 500 to 800 warrants have been issued for the arrest of men in Districts where no disorders have been reported. Multitudes of Deputy Marshals are being appointed, on the recommendation of Chas. E. Mayer, Chairman of the Republican State Executive Committee, but the State was never more quiet.

NEW YORK, October 19.—The committee of the Peabody fund trustees, consisting of William M. Everts, John H. Clifford and Samuel Wetmore, appointed to consider the subject of mixed schools in the South, reported, that after the most careful comparison of opinions, and the most solicitous consideration of all the elements of the discussion affecting the interests of education in the various States, for their white and colored population, they have unanimously come to the conclusion that the prospects and hopes of the public systems of education at the South will receive a serious, if not a fatal blow, from any legislation which should make such systems of education maintainable only on a scheme of mixed schools. As to the organization required for such public education, the board are of the opinion that while justice and public duty, as well as the interests and feelings of the white and colored people of the South, concur in demanding a system of education which should give equal opportunities and equal advantages to the children of either color, that no such result would be promoted by the compulsory system of mixed schools. The committee, in conclusion, say these views are fully set forth in the report of the general agent, which is adopted and approved, as expressing the unanimous opinion of the trustees.

NEW YORK, October 19.—Special cable despatches state that the charge against Von Arnim has dwindled down to one of insubordination only, Prince Bismarck dreading further spread of scandal. Little Billy was very cross and tired the other night, and he wanted his father to take him on his knee; but father was tired, or pretended to be. "I want you to hold me on your knee," he whined. "I tell you I cannot do it; I am tired," replied his father, impatiently. "Tired! You wasn't very tired last night when you held Mary on your knee in the kitchen." There is a good boy in Lisbon, if we may believe the Lewiston Journal, who, when he found his aged mother's Bible was of two fine print for her failing eye-sight, sold the book and bought a base ball bat and four sticks of chewing candy.

According to the census there are only two men in America who make a specialty of the manufacture of hand-organs, and yet they still live, and are free from the fear of assassination. A minister asked a tipsy fellow, leaning up against a fence, where he expected to go when he died. "If I can't get along any better than I do now," he said, "I shan't go anywhere. I'll stay where I am." Anent the election, the speech of the South Carolina negro legislator can be quoted with eminent fitness: "Mista Churman, I can't help cussin, butterbedam if things ain't mixed." [Indianapolis News, Republican.] There is nothing more calculated to weaken a boy's moral character than to get his fishing-hook fastened on rubbish in the river. General Butler is duly approved by his Massachusetts constituents—inflation, salary grab, spoons and all.

J. Lathrop & Co., Front street, and Lathrop & Euge, Broad street, New York, who were associated in a corner in oats with Edgar & Co., of Burlington, Iowa, failed Friday.
