

LONDON, November 4.—A Times special from Hendaga says preliminary orders have been received from Paris for the expulsion of all Spaniards, without distinction, before Tuesday evening, from the frontier towns on the right bank of the Bidrasoa, for fear they may interfere in the conflict at Iruu.

A despatch from Santander says Carlos has determined to concentrate his forces in Bisaya, for the attack on Iruu, knowing that Gen. Lazerna had gone to Madrid to tender his resignation. The Republican Government has only just begun to take measures to resist this movement.

TELEGRAPHIC-AMERICAN MATTERS. Boston, November 4.—3 A. M.—Full returns will be very late. Some small towns are yet to be heard from, but it is considered that their vote cannot possibly affect Gaston's majority, which will be at least 3,000.

In the Second Georgia District, Smith, Democrat, is elected by 1,500 majority over Whitley, Republican. Hartridge is certainly elected over Bryant, Republican, in the First District. The result in the Seventh District between Dabney and Felton is doubtful.

Boston, November 4.—An error in counting the votes has been discovered, which increases Frost's plurality, in the Fourth District, to 130. On the other hand, rumors fill the air, this morning, that a recount is to be had in Ward 5, the result of which will elect Judge Abbott to Congress.

LOUISVILLE, November 3.—Returns come in slowly. There are Democratic gains all through Kentucky. It is probable the Democrats have made a clean sweep, electing all of the ten Congressmen.

CINCINNATI, November 3.—Returns from the Sixth Kentucky District indicate the election of Jones, Democrat, over the Independent Democrat and Republican opponents by 2,000 majority.

WASHINGTON, November 4.—Up to this hour, 3.15, A. M., no returns indicating the result further than already telegraphed have been received here. Definite results from Pennsylvania are not wanting. Full returns from all quarters not expected for at least two hours.

NEWARK, N. J., November 4.—Judge Biddle is elected Governor by 10,000. The Congressional delegation stands four Democrats and three Republicans. Senate unchanged. The House is overwhelmingly Democratic.

CHICAGO, November 4.—Farwell, Republican, is elected from the 31 District. PITTSBURGH, November 4.—Hopkins, Democrat, is elected to Congress.

PHILADELPHIA, November 4.—The Democrats have elected the District Attorney and Donor; the Republicans carry the city on the other candidates, by 12,000 majority.

DETROIT, November 4.—Democratic gains throughout the State immense. The Republicans claim only 5,000 majority on the State ticket.

PHILADELPHIA, November 4.—The Press concedes the election of 12 Democratic Congressmen in the State to 15 Republicans—a loss of 7—but claims the State by 15,000. A despatch from Towanda this morning claims the election of Joseph Powell, Democrat, in the 15th District—an additional Republican loss. Indiana County is Republican by a majority of 1,600.

have seen the power of organization passing into the control of men for whom the people have no respect. They have seen important Federal offices in this State manipulated for private ends, in violation of the rules of the civil service, and studied contempt of their advice and judgment. They have seen party machinery taken possession of by recipients of executive power, and used to fortify themselves in their positions, and to intimidate all candidates for office who would not affiliate with them.

Probabilities.—For the South Atlantic States, partly cloudy and warmer weather will prevail, with North-east to South-east winds and slight changes in the barometer. For the Gulf States, Tennessee and the Ohio Valley, increasing cloudiness, East to South wind, veering to South-west-erly.

ST. PAUL, MINN., November 4.—The Democrats are gaining in the Legislature, threatening Ramsey's seat in the Senate. AUGUSTA, GA., November 4.—Returns from Florida come in slowly, only twelve Counties being partially heard from.

ALBANY, November 4.—The Evening Journal makes the Assembly stand Democratic 72, Republican 56. As the Republicans have only 4 majority in the Senate, the Democrats have a majority on joint ballot, with Ben to bear from and two districts in Water-vliet. It is estimated the vote in this County stands Dix 11,716; Tilden 14,043.

ALEXANDRIA, VA., November 4.—Hutton, Conservative, is elected in the 8th District, by about 500 majority, over Barbour. MONTGOMERY, ALA., November 4.—23 Counties, unofficial, show a net Democratic gain of 10,000. This includes Sumter and Greene, where colored Democrats were intimidated.

CHICAGO, November 4.—Returns from the 1st, 2d and 3d Congressional Districts still incomplete, and the vote in all is so close, that without full returns, it is impossible to state positively the result in any of them. Reports from the State so far indicate the election of the Republican State ticket by a decreased majority and a light aggregate vote. In most localities, the result of the Congressional election is so far unchanged from last night's estimates.

ALBANY, November 4.—The Evening Journal makes the Assembly stand Democratic 72, Republican 56. As the Republicans have only 4 majority in the Senate, the Democrats have a majority on joint ballot, with Ben to bear from and two districts in Water-vliet. Charivari takes a view of the Oregano incident agreeable to the national vanity. It says: "One loves a woman and keeps at her door day and night a carriage at her order; and some day she sends him word if she wishes to go out, that it will be her pleasure to go on foot. So France has kept the Oregano at the orders of the Pope; if we may compare him to a pretty woman, and now he says that if he leaves Rome it will be by land." This leaves out of view the big fellow over the way who sends word that he wants that carriage removed.

Adelina Patti is getting to have quite a reputation as a spoiled child of song. At a late reception, a Yankee, whose parsimony held even sway with enthusiasm, ventured to present the bejeweled darling of the salon with a fifty cent nosegay, and the shock it caused her was so great that she stood upon one leg for several seconds, while ten or a dozen gentlemen scrambled wildly around in search of cushions for her to faint away on.

The funeral services of John W. Southern, deceased, took place at his residence, near Greenville, on last Saturday. An acre of performance is worth a whole world of promise.
