COLUMBIA, S. C., TUESDAY MORNING, NOVEMBER 10, 1874.

VOLUME X—NUMBER 199

The salary of \$40,000 per annum, aid to President Jewett, of the Erie Railway, is the largest paid to any railroad official in the United States, and, it is believed, larger than any paid to any railroad officer in the world.

We can't all be run over by locomotives or killed by boiler explosions. An Indiana man has just been crushed to death in a corn grinder.

With a view of foiling burglars, the Manchester, N. H., banks have made such arrangements as to require three or four clerks to whlock all the doors leading to the vaults and safes.

We are authorized to announce that General Butler will enter upon the active pursuit of his profession at the close of the present Congress.

RED HOT POKER.

POKER.

THIS wonderfully witty style of advertising is about played out.

We wish to say a few quiet words about CIGAMS, but really don't consider it necessary to intersperse the stupid legend through our subject matter, and so prefer to give the witty part in a lump to commence with.

By-the-by, have you ever played poker? We propose to see our opponents in the Cigar business, and by showing a full hand of "Four Aces"—a new brand of fine Cigars—have a serene certainty of earning the stakes. Seriously, our stock of Cigars is unrivalled either in lowness of price or excellence in quality, from the colebrated two for five cents (highly recommended to beginners) to the purest Oabanna, embracing mid-way many delightfully fragrant weeds, at from five to fifteen cents each. A trial will insure us your custom.

P. S. No doubtful-looking male or female Indian allowed to loaf either outside or inside our doors. This custom is Pagan and reprehensible.

THE proprietor of this establishment would respectfully announce to the public and his numerous patrons, that he has largely increased his facilities for supplying to them the best brands of CIGARS, both imported and domestic. Their force for the manufacturing of the best Gigars has been largely increased, thereby enabling them to compete with the largest New York and Baltimore houses. Of this, the dealers throughout the entire State can certify. The celebrated 5c. PARTAGAS are still all the rage; also, the 10c. IM-PORTED LONDRES.
