

**License Ordinance For 1875.**  
**AN ORDINANCE TO REGULATE LICENSES FOR THE YEAR 1875.**  
**Section 1.** Be it ordained by the Mayor and Aldermen of the city of Columbia, in Council assembled, That every person, firm, company or corporation, engaged in, or intending to be engaged in, any trade, business or profession hereinafter mentioned, shall obtain, on or before the 6th day of January, A. D. 1875, a license therefor, in manner provided. Those commencing business after the 6th of January, shall obtain a license before entering upon that business.

**Sec. 2.** Every person, firm, company or corporation required by this ordinance to obtain a license to engage in any trade, business or profession, for which a license is required, shall register with the City Clerk and Treasurer, first, his or her name or style, and in case of a firm or company, the name of the several persons constituting such firm or company, and their places of business; second, the trade, business or profession for which a license is required; third, the place where such trade or profession is carried on; if a wholesale or retail dealer in goods, wares and merchandise, the amount, extent and value of business intended to be carried on, including distilled spirits; all of which shall be given under oath.

**Sec. 3.** If any person or persons exercise or carry on any trade, business or profession, for the exercising, carrying on or doing of which a license is required by this ordinance, without first registering and taking out such license, as in that behalf required, he, she or they, besides being liable to the payment of the license, shall be subject to a penalty not exceeding \$40, on conviction before the Mayor or any court of competent jurisdiction; one-half of the penalty, after deducting expenses of the prosecution, to be paid to the person who first informs of the matters and thing whereby the penalty is recovered, and the other half to the city.

**Sec. 4.** In every license to be taken out under or by authority of this ordinance, shall be contained and set forth the purpose, trade, business or profession for which such license is granted, and the name and place of business of the person or persons taking out the same, and the time for which it is granted; if a wholesale or retail dealer in goods, wares and merchandise, the amount, extent or value of the business to be carried on. The City Clerk and Treasurer shall prepare a proper form of license to be issued in each case, and shall have the same printed and bound in book form in a neat and substantial manner, with a proper check or stub attached to each; upon which shall be written at the time the license is granted the name of the party obtaining the same, the length of time covered by said license, together with the amount charged therefor; and the party receiving such license shall keep the same posted in some conspicuous place where his business, trade or profession is carried on. Any evasion of the provisions of this section shall, on conviction before the Mayor, be punishable by fine not exceeding \$40.

**Sec. 5.** The licenses granted under this ordinance shall not authorize the person or persons or firm, company or corporation mentioned therein, to exercise or carry on the trade, business or profession specified in such license in any other place than that mentioned therein, unless permitted so to do by the Mayor. A license granted on and after January 1st, 1875, shall continue in force until the 1st of January following; and all licenses granted after the 1st of January, A. D. 1875, shall be issued upon payment of a rateable portion of the whole amount of money imposed for such licenses: *Provided, however,* That no license shall be granted for a period less than three months, though the time to the end of the year be less than that. Each license granted shall be dated on the first day of the month on which the liability therefor occurred, and the amount to be paid therefor shall be computed therefrom until the end of the year, except as hereinbefore mentioned: *Provided,* That after a license is granted by the city no portion thereof will be refunded.

**Sec. 6.** Upon the removal of any person or persons from the house or premises at which the trade, business or profession mentioned in such license was authorized, it may and shall be lawful for the Mayor to authorize, by endorsement of such license, the person removing as aforesaid to any other place to carry on the trade, business or profession specified in such license at the place to which such person may have removed.
