I HAVE made arrangements with an importing Tea House to supply me with a uniform grade of TEA, so that consumers, finding a Tea suitable in strength and flavor, can always depend upon getting the same, by asking for that grade and price. We have opened, to-day, twelve Chests of Tea, as follows: The Oolong A. Fancy Oolong A. Fine English Breakfast C. Fancy English Breakfast A. Choice Imperial B. Fine Imperial B. Fancy Young Hyson A. Choice Young Hyson B. Fine Young Hyson C. Choice Gunpowder B. Fancy Gunpowder D. Fine Gunpowder C. The symptoms of Liver Complaint are uneasiness and pain in the side. Sometimes the pain is in the shoulder, and is mistaken for rheumatism. The stomach is affected with loss of appetite and sickness, bowels, in general, constive, sometimes alternating with lax. The head is troubled with pain, and dull, heavy sensation, considerable loss of memory, accompanied with painful sensation of having left undone something which ought to have been done. Often complaining of weakness, debility and low spirits. Sometimes many of the above symptoms attend the disease, and at other times very few of them; but the Liver is generally the organ most involved.
