There were 16,000 votes cast at the last election in the new State of Colorado, out of a population of 39,000. This goes to show that the bulk of the census is made up of single men, and there may be danger that on the announcement of some other new gold discoveries, the State will be left without a quorum. Candidates for the fat offices will please take notice.

M. Pipet has recovered from the city of Marseilles 13,000 francs, the price of his wife, killed on her way to market by a shot in the streets during the revolutionary times of 1871. It is thought that a great many men in that city will send their wives to market assiduously during the next revolt.

An application for relief in Paris was supported by this recommendation: "This unfortunate young man is the only son of a widow who died without leaving any children, and he is the sole support of his aged father and young brothers."

President Garrett, of the Baltimore and Ohio Railroad Company, is traveling through the South with his family, in his special car "Maryland," which is transferred from road to road as the railroad king desires?

There are five pairs in the present United States Senate, the Camerons, Joneses, Ferrys, Johnsons and Morrills. This Minister Schenck would call a decidedly good hand. How would he play them?

After waiting four years, a Michigan lover finally popped the question, and the girl answered, "Of course I'll have you. Why, you old fool you, we could have been married three years ago."

**Important to Consumers of Tea.**  
I HAVE made arrangements with an importing Tea House to supply me with a uniform grade of TEA, so that consumers, finding a Tea suitable in strength and flavor, can always depend upon getting the same, by asking for that grade and price. We have opened, to-day, twelve Chests of Tea, as follows:  
Fine Oolong A.  
Fancy Oolong C.  
Fine English Breakfast A.  
Fancy English Breakfast C.

**Quaker Liniment—A Great Medicine.**  
GIVING INSTANT RELIEF.

IT is the most wonderful MEDICINE ever known, and possesses a curative power unequalled in the history of remedies. For sale only at  
Dec 16  
HEINITZ'S Drug Store.

**CONSUMPTIVES, TAKE NOTICE.**  
Every moment of delay makes your cure more hopeless, and much depends on the judicious choice of a remedy. The amount of testimony in favor of Dr. Schenck's Pulmonic Syrup, as a cure for consumption, far exceeds all that can be brought to support the pretensions of any other medicine. See Dr. Schenck's Almanac, containing the certificates of many persons who have been restored to health, after being pronounced incurable by physicians of acknowledged ability. Schenck's Pulmonic Syrup alone has cured many, as these evidences will show; but the cure is often promoted by the employment of two other remedies which Dr. Schenck provides for the purpose. These additional remedies are Schenck's Sea Weed Tonic and Mandrake Pills. By the timely use of these medicines, according to directions, Dr. Schenck certifies that most any case of consumption may be cured.

Dr. Schenck is professionally at his principal office, corner Sixth and Arch streets, Philadelphia, every Monday, where all letters for advice must be addressed.
