Pelegraphic-Foreign News.
BRUSERIS, April 17.—In the Chamber of Deputies, this evening, the Minister of Foreign Affairs stated that the Government, yesterday, received Garmany's roply to its last note. The reply citts no fresh facts; it descants on principles of international law involved in the disonation and averaged the hone that Pel sion, and expresses the hope that Bel-gium will solze the opportunity to dissi-pate the impression that Germany in-tended to attack the liberty of the press in Belgium. The Minister, after inform-ing the House of the contents of the note, said that in addition to this correspondence, courteous verbal explanations had been exchanged with the German representatives, and in conclusion, he assured the Chamber that the Belgian Government sincerely desired to strengthen good relations with Germany.

LONDON, April 17.—In the House of

, to-night, there was an acrimonious debate on the question of summoning to the bar the printers of the Times and News, for breach of privilege for publishing documents in the hands of the Select Committee on Foreign Killing vegetables and threatening the fruit. In Lancaster, N. H., ten inches In Nashville, ice one-quarter structed to investigate the affair, and report how the press obtained the documents in question. The resolution was carried, and the order summoning the riogely injured, if not entirely killed.

printers was discharged.

HAVANA, April 17.—Sharkey remains in jail, and has not been allowed to com-

PARIS, April 17.—A party of three persons ascended in the balloon Zenith today, for the purpose of making scientific observations. The balloon attained the extraordinary height of 8,000 metres—over 26,000 feet. Two of the gronauts were suffected to death, and when the balloon reached the ground, the third was almost insensible and has since been so ill that his recovery is doubtful.

BERLIN, April 16.—The bill abrogating

Bealty, April 16.—The bill abrogating those clauses of the Constitution which grant independent administration of occlesiastical affairs, unimpeded intercourse of religious associations with their meter East of Mississippi, and Fisterly superiors and freedom of clerical appointments, passed its second reading, to-day, in the lower house of Prussian Diet. In the course of the debets Diet. In the lower house of Prussian Diet. In the course of the debate, Prince Bismarck said the Government was foth to proceed to such measures, but they were unavoidable. Since the Vatican Council, no one possessed the influence the Pope had, with a compact party, a well organized press and an army of obedient priests. This power would be serious, even if it belonged to a native instead of a foreign monarch. That monarch, if he had the means, would carry out his programme in the debate, Principle of the debate, Pr Diet. In the course of the debate, Prince Bismarck said the Government

Diseased Diseased on the State of the State DISEASED DIGESTION. -If chronic ladirise, inevitably, to many other diseases affecting the liver, the nerves, the bowels and the brain. Biliousness, nervous tremors, constipation, headache and torrible mental disturbances are among its usual accompanies. its usual accompaniments. In fact, every organ, every fibre of the frame sympathizes with the debilitated and discused stomach. What is needed in such a case? Clearly an alterative and invisors of the case? drafts for proceeds of claims will be invigorant; and among medicines of that issued to the claimant or to the attorney to receive it. This ousts what is known as an attorney of record, and enables the claimant to pay at pleasure all but his last, who may retain his fee.

Quartermaster A. G. Robertson, relieved from duty in the Department of Texas, has been ordered to the Depart—the tonic and stimulating elements use. and kept right by a medicine in which the tonic and stimulating elements predominate, but are qualified and medicified by anti-bilious aperients and blood-purifying components. Now, the truth is, (and the medical faculty as well as the public know the fact,) that Hostetter's Bitters contain every ingredient requisite for the cure of dyspepsia and all the ailments of body and mind which it involves. This has been proved in so many thousands of instances that it seems almost idle to repeat the statement

seems almost idle to repeat the statement.
The great tonic rallies exhausted nature, from whatever cause enfeebled, and permanently recruits the vigor of the nerves, the muscles and the brain. It effect upon the brain is to give strength to the will and precision to the judg-ment, and to banish despondency and that infirmity of purpose which generally accompanies bodily weakness.
