

"Let our Just Censures

Attend the "True Event."

BY JULIAN A. SELBY.

COLUMBIA, S. C., THURSDAY MORNING, JULY 22, 1875.

VOLUME XI—NUMBER 153. 10

The latest Brooklyn church unpleasantness presents a case of marvelous meanness. The Rev. Geo. K. Woodward was employed by the Evergreen Methodist Church to preach twice on Sunday, hold several meetings during the week and visit his parishioners, for the magnificent sum of \$25 per month. A year elapsed and the clergyman had not received \$150. He demanded his stipend, and in order to get rid of him, a scheme was put on foot to charge him with "immoral conduct." This failed, and Woodward has now sued the trustees for his miserable little salary.

Brother Hutchinson, of Plymouth Church, says: "While we claim Mr. Beecher as our pastor, the whole world owns him." Is that so? Why then the world had better sell out its interest to Plymouth. He is property which will not keep well, and then Plymouth is the market for Beecher stock.

The Petersburg (Va) News says: Beecher is writing a life of Christ from his stand-point. But, unfortunately for Plymouth, Christ wrote the life of Beecher from his stand-point 1,800 years ago, and the law has not changed: "Thou shalt not commit adultery."

South Carolina Department ST. LOUIS LIFE INSURANCE CO'Y, Office No. 7, Central Bank Building, COLUMBIA, S. C.

Table with financial data: Paid-up Capital \$1,000,000.00, Assets December 21, 1874 \$7,406,852.54, Surplus as to Policy Holders \$1,033,485.40, Number of Policies issued 1874-7,900, Amount Insured thereby \$16,634,638.97, Death Claims Paid in 1874 \$899,734.97

Its Title to Public Confidence. FIRST—It is a Strong Company. Having, in addition to its ample reserve fund, a fully paid and securely invested capital of \$1,000,000, every dollar of which is pledged to the payment of its policies.

SECOND—It is a Low Rate Company. Doing business exclusively on the Stock Plan; its premium rates are much lower than those of Mutual or Mixed companies, and are the very lowest possible, consistent with security to the policy-holder.

THIRD—It is a Plain Company. It promises no dividends, and it disappoints no expectations. Every policy-holder knows just what his insurance will cost, and just what it will realize. The contract is simple and definite, and means indemnity, not profit.

FOURTH—It is a Paying Company. During the last year it has paid to the Widows and Orphans of deceased policy-holders \$889,000.

FIFTH—It is a Sound Company. It has just passed through a long and rigid examination, and its financial strength is officially attested by the most exacting of State Insurance Commissioners.

SIXTH—It is a Broad Company. Its 20,000 risks being widely distributed through thirty-four States and Territories, no epidemic, however general, can seriously affect its mortality. Reliable agents wanted. HENRY McNAIR, Manager. July 3 1mo
