Commercial Intelligence. The sales of Cotton during the week had

comprised 40,000 bales, of which speculators had taken 6,000 and exporters 2,000 bales. The market opened with a good demand,

but fell off at the close, principally on lower grades. On the 21st ult., the demand was fair, and holders, firm, with moderate sales to the trade.

The Circular of Messrs. Milligan, Lemprere & Co., quotes Fair Orleans at 6 12d., Mid dling Orleans at 5 5 8d., Fair Uplands at 6 1.8d., and Middling Uplands at 5 1.2d.

Messrs. Denistoun's & Co's Circular quotes the Cotton market unchanged; the better quali ties scarcer and firm, and the lower grade more plentiful but not so saleable. Middling Orleans quoted in it at 59s. 16d, Middling Mobile 57s. 16d., and Middling Uplands at 53s

The Circular of Messrs. Wright & Gandy, however, quotes from 1-16d 1-8d. above the figures of Messrs. Denistoun & Co. The stock of Cotton on hand is 731,000

The demand for Flour by the trade was good, and freely met by holders at an advance of 1s. per barrel. Western Canal was worth, 32s. 6d., and Ohio 39s. per barrel. Wheat had advanced 3d., and was quoted at from 12s. 8d. a 12s. 6d. Corn was quiet, at 42s. for white.

Lard had advanced 1s. per cwt. and was worth 52s. Beef was dull, as also Pork and Bacon was active at 40s.

Carolina Rice was worth 20s; Common Rosin 5 a 6s. 6d.; Spirits of Turpentine 50s. In London, Coffee was unchanged. Sugars-showed more animation, with a partial advance.

Rice had a downward tendency. R. R. R.

R. R. R.

WHEN the R. R. R. Theory was first declared to the world, skeptical persons doubted its correctness, and looked with distrust on the re edies t possessed. Others, however, struck with the originality of its views and conceding merit to the theory, were induced to try if the remedies borne out in practice what was claimed for them in theory. A third class differing from the others and perhaps more numerous, without considering for a moment any merit they might be entitled to, tried them, merely a We are satisfied with the result, for the public has received the benefit and R. R. R. Theory has triumphd. Not a day passes that we do not have admiss rto unbeliever that their skepticism was unfounded and convinced by reading our Family Friend, have proved by their own experience, the in fallibility of our medicines. Not a day passes that we do not receive grateful testimonials of cures effect-ed by these Medicines "I was seized with cramps and spasms last night says one, and had it not been for Radway's Ready Rela f I should have died with the pain." Another says, "my wife was slowly sink-ing with an affection of the Lungs and my neighbors was suffering from Scrofula,—I have seen them both restored to healt by Radway's Renovating Resolvent. A third says, 'Radway's Regulators have cured me of habitual costiven ss that was the burden of my life." Such are the characteristic testimonials we daily receive f the R. R. R. Renredies.

RADWAY'S READY RELIEF, the first of the R. R. R.

remedies, is the most quick and rafe remedy that has ever yet been discovered for the instant relief of all ACUTE OR CHRONIC PAINS. It is a certain disenfectant and will neutralize the most violent poisons of Malignant Epidemics. If the human system is seized with the virulence of Cholera, Small Pox, Ship Fever, Pneumonia, or other fatal poisons, Radway's Ready Relief used in connection with Radway's Regulators, will check the violence of the disease, neu-tralize the infection, and will not only protect the system against sudden death, but will restore the body to health and strength We make this assertion boldly, and if any Physician or Chemist doubts the great power which we claim for our Ready Relief, over malignant pains, let them examine it and test it, it will bear the test.

RHEUMATISM.

Pains stopped in a few Minutes The moment Radway's Ready Relief is applied to the parts afflicted with rheumatisms, whether it be in the knee joint, the arms, legs, feet or loins all, pain and anguish ceases. CRIPPLED FOR TWENTY YEARS. Mr. Charles M. Johnston, Nashville, was crippled with a chronic rheuma-Mam for twenty years. He purchased from J. M. Zimmerman one bottle of Ready Relief, and one box of Regulators. The Ready Relief, was applied as soon as it was obtained.

In TWENTY MINUTES he was free from pain;

In TWENTY FOUR HOURS he was ree from pain;
In TWENTY-FOUR HOURS he could stand alone,
In FOUR DAYS he could walk alone.
By the use of the Resolvent, Relief and Regulators, in one month he was ENTIRELY CURED.

A LADY AGED 85, had been crippled for years, could not raise her hand to her head. One bottle of R. R. Rehef removed all pain and stiffness, created new life within her disabled body, restored each limb and joint to a strong vigorous and healthy condition.

The lady is well known in Asteville, N. C. Thomas
W. Atkin, Esq., edisor of the Asheville News, published the case in his paper on the 18th of October

SUDDEN ATTACKS. CHAMPS AND SPARMS. For all in Supper Attacks. Charps and Sparms. For all internal difficulties, where the patien is suddenly seized with Cramps, Sparms, Diarrhoea, Cholera Morbus, one teaspoon out of Radway's Ready Relief will in FIFTEEN MINUTES allay the most distressing pains. FEVER AND AGUE. Let those afflicted with this distressing malady, take Radway's Relief internally, a tea spoonful every fifteen minutes three hours before the child company and advanced Recording fore the chills come on, and a dose of Regulators are ry night; also, rub the spine of the back down with Ready Relief. It will entirely cure and prevent the

system against Ague and Fever.

In cases of Burns, Scalds, Bruses, Strains, Sprains, Bad Swellings, Heart Burn, Sour Stomach, Sick Headsche, Radway's Ready Ralief will remove all pain in
